

Descriptive Writing Prompts

Descriptive Writing Steps

A descriptive paragraph tells about a **person, place, thing or an idea**. It should ideally have words that help a reader to **see, hear, feel, taste and smell** what is being described.

1. What happened - storm, hurricane, accident
2. Where it happened- Houston, Japan, high street
3. Attributes (main attribute, middle attribute, bottom attribute). What did you hear, see, exact location, movement, temperature etc.
4. Conclusion: summarize, offer solution/view, encourage reader to take action.

Imagine you are a salesman in a newly opened book shop in the high street. How will you write your experience selling books on the first day?

D'Amico, Kate Gallaway, 2009-01-27 An essential resource for teachers in inclusive classrooms. This valuable sourcebook offers teachers key strategies on how to design and deliver effective instruction, measure success, and get students to work together. Covering topics such as decoding vocabulary, blocking using graphic organizers, mnemonics, literary elements, writing as a process, and doing research, it features dozens of ready-to-use language arts activities that are tied to core curriculum standards, and each activity has adaptations for students with different learning needs. 180 Days to Successful Writers Karen Donohue, Nanda N. Reddy, 2005-12-08 Enhance your students' writing skills and boost their scores on standardized writing tests. In today's high-stakes environment, standardized test scores not only gauge student performance but are also linked to a school's status and the funding it receives. This helpful resource provides educators with a classroom-tested writing curriculum that has proven to boost student scores on standardized writing tests while helping them develop skills for lifelong writing success. The authors offer structured day-to-day lesson plans linked to national standards, easy-to-use writing tools, and carefully crafted unscripted lessons that cover a scope and follow a sequence that aims for student success. This curriculum is designed to help you become a confident writing teacher. Prepare your students for all practical applications of writing. Provide students with the analytical tools and skills they need to succeed on standardized writing tests. Accommodate students' strengths and weaknesses. Create confident readers and writers of your most reluctant students. Your students need more than writing prompts and grammar lessons to ensure they will have lifelong writing success. Finally, a way for teachers to provide quality writing instruction that allows them to meet testing demands on time and with confidence. **L2 Collaborative Writing in Diverse Learning Contexts** Mimi Li, Meixiu Zhang, 2023-08-15 This book is the first edited volume to compile up-to-date scholarship that discusses frontier knowledge on second language L2 collaborative writing (CW) and highlights technology-mediated solutions to it. The volume consists of conceptual papers and empirical studies that explore theoretical, methodological, and pedagogical approaches to CW in face-to-face, online, and hybrid learning contexts. The ten chapters of the book are divided into three sections: 1) theoretical perspectives and a methodological review of CW; 2) empirical research addressing the processes, products, and effects pertaining to CW; 3) pedagogical aspects relevant to CW, namely task design, technology use, and assessment. By examining the implementation of various CW tasks across modes, genres, and L2 learning settings, this book re-

evaluates the practices of CW and illustrates how diverse forms of CW can facilitate students L2 learning and writing development
