James Thurber: Writings & Drawings (LOA #90) James Thurber, 1996-10-01 A comprehensive collection of the American humorist's best work including *The Secret Life of Walter Mitty* plus original drawings and a chronology of Thurber's own troubled life. James Thurber, whimsical fantasist and deadpan chronicler of everyday absurdities, brought American humor into the 20th century. His comic persona, a modern city dweller whose zaniest flights of free association are tinged with anxiety, remains hilarious, subtly disturbing, and instantly recognizable. Here, in over 1,000 pages, editor Garrison Keillor presents the best and most extensive collection ever assembled. Pieces include *The Secret Life of Walter Mitty* and *The Catbird Seat*, the brilliantly satirical *Fables for Our Time*, the classic *My Life and Hard Times*, and the best of *The Owl in the Attic*, *Let Your Mind Alone*, *My World And Welcome to It*, and the other famous books. Plus 500 wonderful drawings, including *The Seal in the Bedroom*, and celebrated sequences like *The Masculine Approach* and *The War Between Men and Women*. Rounding out the volume is a selection from *The Years with Ross*, a memoir of the *New Yorker* publisher, and a number of wonderful early pieces never collected by Thurber. Only a book of this scope can do justice to Thurber's extraordinary career and to the many unexpected turns of his comic genius. **The Age of Movies: Selected Writings of Pauline Kael** Pauline Kael, 2011-10-27 A master film critic is at her witty, exhilarating, and opinionated best in this career-spanning collection featuring pieces on *Bonnie and Clyde*, *The Godfather*, and other modern movie classics. Film criticism is exciting just because there is no formula to apply. Pauline Kael once observed just because you must use everything you are and everything you know. Between 1968 and 1991, as regular film reviewer for *The New Yorker*, Kael used those formidable tools to shape the tastes of a generation. She had a gift for capturing with force and fluency the essence of an actor's gesture or the full implication of a cinematic image. Kael called movies the most total and encompassing art form we have, and her reviews became a platform for considering both film and the worlds it engages, crafting in the process a prose style of extraordinary wit, precision, and improvisatory grace. Her ability to evoke the essence of a great artist, an Orson Welles or a Robert Altman, or to celebrate the way even seeming trash could tap deeply into our emotions was matched by her unwavering eye for the scams and self-deceptions of a corrupt movie industry. Here are her appraisals of era-defining films such as *Breathless*, *Bonnie and Clyde*, *The Leopard*, *The Godfather*, *Last Tango in Paris*, *Nashville*, along with many others, some awaiting rediscovery, all providing the occasion for masterpieces of observation and insight, alive on every page.

33 **Harriet Beecher Stowe: Three Novels (LOA #4)** Harriet Beecher Stowe, 1982-05-06 In this Library of America volume are the best and most enduring works of Harriet Beecher Stowe the little woman as Abraham Lincoln said when he met her in 1861 who wrote the book that made this great war He was referring with rueful exaggeration to Uncle Tom's Cabin 1852 which during its first year had sold over 300 000 copies Contemporary readers can still appreciate the powerful effects of its melodramatic characterizations and its unapologetic sentimentality They can also recognize in its treatment of racial violence some of the brooding imagination and realism that anticipates Faulkner's rendering of the same theme Stowe was charged with exaggerating the evils of slavery but her stay in Cincinnati Ohio where her father the formidable Lyman Beecher head of the Lane Theological Seminary gave her a close look at the miseries of the slave communities across the Ohio River People in her circle of friends were continually harboring slaves who escaped across the river from Kentucky on the way they hoped to Canada Two other novels along with Uncle Tom's Cabin show the range and variety of her literary accomplishment The Minister's Wooing 1859 is set in Newport Rhode Island after the Revolution It is a romance based in part on the life of Stowe's sister and it traces to a happy ending the conflicts in a young woman between adherence to Calvinistic rigor and her expression of preference in the choice of a marital partner The third novel Oldtown Folks 1869 confirms Stowe's genius for the realistic rendering of ordinary experience her talent for social portraiture with a keen satiric edge and her subtlety in exploring a wide group of themes from child rearing practices and religious controversy to romantic seduction and betrayal But finally it is the old town and a way of life that no longer exists that is the true subject of this

**Mark Twain: Historical Romances (LOA #71)** Mark Twain, 1994-08-01 In the three novels collected in this Library of America volume Mark Twain turned his comic genius to a period that fascinated and repelled him in equal measure medieval and Renaissance Europe This lost world of stately pomp and unspeakable cruelty artistic splendor and abysmal ignorance the seeming opposite of brashly optimistic commercial democratic nineteenth century America engaged Twain's imagination inspiring a children's classic and astonishing fantasy of comedy and violence and an unusual fictional biography Twain drew on his fascination with impersonation and the theme of

the double in *The Prince and the Pauper* 1882 which brilliantly uses the device of identical boys from opposite ends of the social hierarchy to evoke the tumultuous contrasts of Henry VIII's England As the pauper Tom Canty is raised to the throne while the rightful heir is cast out among thieves and beggars Twain sustains one of his most compelling narratives A perennial children's favorite the novel brings an impassioned American point of view to the injustices of traditional European society A Connecticut Yankee in King Arthur's Court 1889 finds Twain in high satiric form When hard-headed Yankee mechanic Hank Morgan is knocked out in a fight he wakes up in Camelot in A.D. 528 and finds himself pitted against the medieval rituals and superstitions of King Arthur and his knights In a hilarious burlesque of the age of chivalry and of its cult in the nineteenth-century American South Twain demolishes knighthood's romantic aura to reveal a brutish violent society beset by ignorance But the comic mood gives way to a darker questioning of both ancient and modern society culminating in an astonishing apocalyptic conclusion that questions both American progress and Yankee ingenuity as Camelot is undone by the introduction of advanced technology Taking into account her origin youth sex illiteracy early environment and the obstructing conditions under which she exploited her high gifts and made her conquest in the field and before the courts that tried her for her life she is easily and by far the most extraordinary person the human race has ever known So Twain wrote of the heroine of *Personal Recollections of Joan of Arc* 1896 his most elaborate work of historical reconstruction A respectful and richly detailed chronicle by turns admiring and indignant Joan of Arc opens a fascinating window onto the moral imagination of America's greatest comic writer

**Jack London: Novels and Social Writings (LOA #7)** Jack London, 1876-11-01 By turns an impoverished laborer a renegade adventurer a war correspondent in Mexico a declared socialist and a writer of enormous popularity the world over Jack London was the author of brilliant works that reflect his ideas about twentieth century capitalist societies while dramatizing them through incidents of adventure romance and brutal violence His prose always brisk and vigorous rises in The People of the Abyss to italicized horror over the human degradations he saw in the slums of East London It also accommodates the dazzling oratory of the hero of The Iron Heel an American revolutionary named Ernest Everhard whose speeches have the accents of some of London's own political essays like the piece reprinted in this volume entitled Revolution London's prophetic political vision was recalled by Leon Trotsky who observed that when The Iron Heel first appeared in

1907 not one of the revolutionary Marxists had yet fully imagined the ominous perspective of the alliance between finance capitalism and labor aristocracy Whether he is recollecting in *The Road* the exhilarating camaraderie of hobo gangs or dramatizing in *Martin Eden* a life like his own even to the foreshadowing of his own death at age forty or confessing his struggles with alcoholism in the memoir *John Barleycorn* London displays a genius for giving marginal life the aura of romance Violence and brutality flash into life everywhere in his work both as a condition of modern urban existence and as the inevitable reaction to it Though he is outraged in *The People of the Abyss* by the condition of the poor in capitalist societies London is even more appalled by their submission and in the novel he wrote immediately afterward *The Call of the Wild* in the companion volume *Novels and Stories* he constructed an animal fable about the necessary reversion to savagery *The Iron Heel* with its panoramic scenes of urban warfare in Chicago envisions the United States taken over by fascists who perpetuate their regime for three hundred years It constitutes London's warning to his fellow socialists that mere persuasion is insufficient to combat a system that ultimately relies on force LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries

**Henry James: Novels 1901-1902 (LOA #162)**

Henry James,2018-08-14 This Library of America volume brings together one of Henry James s most unusual experiments and one of his most beloved masterpieces Writing to his friend William Dean Howells

Henry James characterized his experimental novel *The Sacred Fount* as the only one of his novels to be told in the first person as a fine flight into the high fantastic. While traveling to the country house of Newmarch for a weekend party, the nameless narrator becomes obsessed with the idea that a person may become younger or cleverer by tapping the sacred fount of another person. Convinced that Grace Brissenden has become younger by drawing upon her husband Guy, the narrator seeks to discover the source of the newfound wit of Gilbert Long, previously a fine piece of human furniture. His perplexing and ambiguous quest and the varying reactions it provokes from the other guests call into question the imaginative inquiry central to James's art. The novel *The Wings of the Dove* as a young person conscious of a great capacity for life but early stricken and doomed, condemned to die under short respite while also enamoured of the world. The heroine, a wealthy young American heiress Milly Theale, inspired by James's beloved cousin Minny Temple, is slowly drawn into a trap set for her by the English adventuress Kate Croy and her lover, the journalist Morton Densher. The unexpected outcome of their mercenary scheme provides the resolution to a tragic story of love and betrayal, innocence and experience that has long been acknowledged as one of James's supreme achievements as a novelist. This volume prints the New York Edition text of *The Wings of the Dove* and includes the illuminating preface James wrote for that edition. *James Fenimore Cooper: The Leatherstocking Tales Vol. 1 (LOA #26)* James Fenimore Cooper, 1985-07-01. The five novels in *The Leatherstocking Tales* collected in two Library of America volumes, Cooper's great saga of the American wilderness, form a pageant of the American frontier. Cooper's hero Natty Bumppo is forced ever farther into the heart of the continent by the advance of civilization that he inadvertently serves as advance scout, missionary, and critic. *Leatherstocking* first appears in *The Pioneers* (1823) as an aged hunter living on the fringe of settlement near Templeton, Cooperstown, New York, at the end of the eighteenth century. There he becomes caught in the struggles of party, family, and class to control the changing American land and to determine what sort of civilization will replace the rapidly vanishing wilderness. When Natty Bumppo started an American tradition by setting off into the sunset at the novel's close, one early reader said, "I longed to go with him." *The Last of the Mohicans* (1826) is a pure unabashed narrative of adventure. It looks back to the earlier time of the French and Indian Wars when Natty and his two companions Chingachgook and Uncas, survivors of a once proud Indian nation, attempt a daring rescue and seek to forestall the plan of the French to unleash their Mingo allies on a wave of terror through the English settlements. *The Prairie* (1827) takes up Natty in his eighties, driven by the continuous march of civilization to his last refuge on the Great Plains across the Mississippi. On this vast and barren stage, the Sioux and Pawnee, the outlaw clan of

Ishmael Bush and members of the Lewis and Clark expedition enact a romantic drama of intrigue pursuit and biblical justice that reflects Cooper's historical dialectic of culture and nature of the American nation and the American continent LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries *James Fenimore Cooper: The Leatherstocking Tales Vol. 2 (LOA #27)* James Fenimore Cooper, 1985-07-01 When Cooper's most memorable hero Leatherstocking started an American tradition by setting off into the sunset in *The Pioneers* one early reader said of his departure I longed to go with him American readers couldn't get enough of the Leatherstocking saga collected in two Library of America volumes and fourteen years after he portrayed the death of Natty Bumppo in *The Prairie* Cooper brought him back in *The Pathfinder* or *The Inland Sea* 1841 During the Seven Years War just after the events narrated in *The Last of the Mohicans* Natty brings the daughter of a British sergeant to her father's station on the Great Lakes where the French and their Indian allies are plotting a treacherous ambush Here for the first time he falls in love with a woman before Cooper manages bring off Leatherstocking's most poignant and perhaps his most revealing escape *The Deerslayer* 1842 brings the saga full circle and follows the young Natty on his first warpath Instinctively gifted in the arts of the forest pious in his respect for the unspoiled wilderness on which he loves to gaze honorable to friend and foe alike stoic under torture and cool under fire the young Leatherstocking emerges as Cooper's noblest figure of the American frontier Enacting a rite of passage both for its hero and for the culture he comes to represent this last book in the series glows with a timelessness that readers everywhere will find enchanting LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries **Essays and Reviews** Edgar Allan Poe, Gary Richard Thompson, 1984 Gathers Poe's essays on the theory of poetry the art of fiction the role of the critic leading nineteenth century writers and the New York literary world
