

Symbolism in Wuthering Heights

Topic: Literature | Words: 1110 | Pages: 5

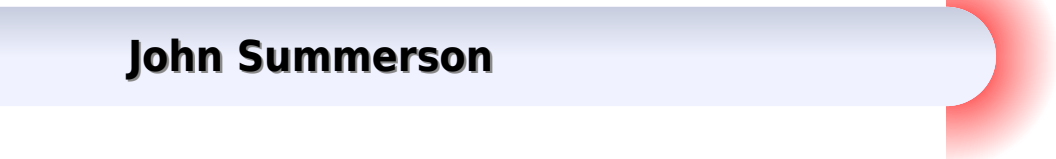

Wuthering Heights is a tragic novel written by Emily Bronte. Today, it is presented as classical literature and does not lose its relevance. Along with the popularity of the book, a tragic love story between Catherine and Heathcliff remains one of the most notable stories for readers around the world. Besides, the novel has many memorable and unique style elements that make it accepted by critics and adored by the audience. Symbolism is one of the most notable features, and Bronte devotes attention to different types of symbols, from the weather and scenery to ghosts. There are many symbols that exist in the book, all of them carry a certain meaning, they are related to characters, and play their roles in the story. *Wuthering Heights* is an exceptional novel that contains deep meanings because Bronte reveals many significant topics, such as love, family, good and evil by using symbolism.

The Usage of Symbolism in Literature: Emily Bronte's Approach

Initially, it is important to understand what the symbols appear in the novel, in what way, and why the writer uses them. Emily Bronte uses symbolism as a literary device in which words, people, markings, places, or abstract concepts are used to signify something other than their literal meaning. Bronte effectively uses a plethora of symbols in her novel *Wuthering Heights* and this literary device, indeed, adds depth, uniqueness, and richness to her work (Stock, 2016). In addition, symbolism allows Bronte to transmit information to an audience in a lyrical manner rather than saying it directly, and it becomes the *Wuthering Heights*' calling card.

Wuthering Heights Symbolism Essay

John Summerson

Wuthering Heights Symbolism Essay:

Whispering the Techniques of Language: An Psychological Journey through **Wuthering Heights Symbolism Essay**

In a digitally-driven world where screens reign great and instant interaction drowns out the subtleties of language, the profound secrets and mental subtleties concealed within phrases often get unheard. Yet, situated within the pages of **Wuthering Heights Symbolism Essay** a interesting fictional treasure sporting with natural emotions, lies an extraordinary quest waiting to be undertaken. Published by an experienced wordsmith, that charming opus encourages readers on an introspective journey, gently unraveling the veiled truths and profound affect resonating within the very fabric of each and every word.
