passion for wrestling figures to date even though they're all grown up now. If you're among the above, then I'm betting that you go out of your way to find your favorite wrestling figures. Fortunately for you, wrestling figures and other wrestling collectibles are easily available and at affordable prices. However, to get the best deal, you must find out how much each wrestling figure set is worth. Yes, you have a love for wrestling, but that does not mean that you should throw money down the drain. Don't pay hundreds for something that costs less than 20. Most wrestling fans are guilty of doing this. Wrestling fans are extremely passionate about wrestling. They want to buy every wrestling figure and every version of it, and why not? Some wrestling figures are worth hundreds of dollars. Most collectors know that rare figure and also if that rare figure is just urban legend and doesn't exist. While collecting wrestling figures is fun, there are some cons to it. For instance, the aftermarket of pro wrestling figures isn't as organized as some of the other toy franchises such as Barbie and Star Wars. Tracking the value of professional wrestling figures is quite hard as there is no official price guide bible. So how do you know if a wrestling figure or other collectible is worth a fortune? This is a problem that we hope to solve. After you've read this book or wrestling price guide, you'll know what wrestling collectibles are available and what their price is. This will ensure that you don't buy a wrestling collectible for more than what it's worth. Additionally, this will help you to get the best possible deal for a collectible you own.

VGC: The 2025 Guide to Video Games 1981 Media Ltd, 2025-05-30. Relive 2024's gaming highs, lows, and industry upheavals with this expertly curated year-in-review. There's no such thing as a quiet year in video games, and 2024 has been no different. For players, a steady stream of high-profile game releases has meant there's always been something new to play, regardless of what console, handheld, PC, or mobile device they were using. Meanwhile, behind the scenes, 2024 has been one of the most turbulent years in the history of the games industry, with widespread job losses, studio cuts, acquisitions, and other controversies. Video Games Chronicle, the expert source for video game news, has covered 2024's goings-on every step of the way, and this book summarises the entire year in one handy volume. Designed like an old-school games magazine, this book presents the VGC website's best coverage of 2024 in a more traditional format. Our News section takes you through all the major stories that took place throughout the year, allowing you to relive every moment, for better or worse. Our Reviews section contains every notable VGC game review from 2024, remastered and presented to you in physical form. We're big on preservation, you see. Our Features section offers some of our best long-form articles from the past year. Finally, our Previews section takes a look at some of the games coming in 2025. The world of online games media is a fast-moving one, and news and reviews usually arrive at breakneck speed, then disappear from our consciousness to be replaced with the latest stories. With this book, we hope to provide a more permanent summary of the year, while also harking back to the days of the games magazines we loved so much.
