Refugees, the State and the Politics of Asylum in Africa J. Milner, 2009-11-06 How do African states respond to the mass arrival and prolonged presence of refugees This book answers this question by drawing on recent case studies and examining the politics behind refugee policy in Africa The implications of this approach are important not only for the study of asylum in Africa but also for the future of refugee protection

Political Impact of the Sino-U.S. Oil Competition in Africa Didier T. Djoumessi, 2009-01-15 The Political Impact of the Sino U S Oil Competition in Africa is an important contribution to the current discussions about the development and security implications of the US Sino competition for oil in Africa s petro states The book focuses on the impact of the growing role of China on these countries acceptance of Western policies in general and those of the U S in particular It uses recent U S attempts to promote democratic governance in countries like Chad Angola and Sudan to show how China s competing presence in these African petro states gradually reduced America s leverage over them It demonstrates that the level of these African countries vulnerability to Washington s policies depends on the intensity of the Sino U S competition within their oil sector The book also contributes to the corpus of theories on resource curse and interdependence through a rigorous review of existing literature which exposes the inadequacies of existing analyses and proffers new theoretical insights and methods of measuring inter state relations

The International Criminal Court in Ongoing Intrastate Conflicts Patrick S. Wegner, 2015-10-09 In recent decades international courts have increasingly started investigating armed conflicts However the impact of this remains under researched Patrick S Wegner closes this gap via a comprehensive analysis of the impact of the International Criminal Court in the Darfur and Lord s Resistance Army conflicts He offers a fresh approach to peace and conflict studies while avoiding the current quantitative focus of the literature and polarisation between critics and supporters of applying justice in conflicts This is the first time that the impact of an international criminal court has been analysed in all its facets in two conflicts The consequences of these investigations are much more complex and difficult to predict than most of the existing literature suggests Recurrent claims such as the deterrent effect of trials and the danger of blocking negotiations by the issuing of arrest warrants are put to the test here with some surprising results

Who is Winning the War in Afghanistan? Sayed Zia Sais, 2011 Who Is Winning The War In Afghanistan A pro Communist coup the impact and aftermath of the Soviet 1978 79 invasion and 30 years of war have demolished the social life cohesion integrity solidarity trust capacity and economy of Afghanistan Millions of people have migrated to foreign countries houses and villages have been destroyed the country s economy and infrastructure has been utterly destroyed millions of young civilians and children have been deprived of education and thousands of women have been widowed The conflict in Afghanistan has also had a great impact on security economy and the political prosperity of other parts of the world The 9 11 incidents which shocked the world once again drew international attention back to the forgotten Afghanistan The Bonn conference 2001 the NATO led invasion the collapse of

the Taliban regime and the promises of the international community to build a democratic Afghan government with a solid institution and strong security force created great hopes amongst the Afghan population for a better future After the fall of the Taliban regime the violence and insurgency began to increase Despite all international efforts and an increase in troop numbers from 10 000 in 2002 to around 140 000 in 2010 and the spending of 50 billion in aid the Afghan government is still weak and does not have control over the whole country the armed forces are not strong enough violence continues to rise and last year was the deadliest year in nearly nine year of war additionally the security situation across the country looks increasingly bad The lasting war has had little success in Afghanistan the pressure of insurgents increasing casualties unpopularity of war among the population of NATO led countries and enormous war costs in a worsening economic climate have caused the announcement of the withdrawal of troops by US President B Obama in 2011 and the UK Prime Minister D Cameron by 2015 This book aims to determine the answer to the question of whether the Coalition Forces are winning the war in Afghanistan

Global Child Welfare and Well-being Susan C. Mapp,2011 Using the Convention on the Rights of the Child as a framework issues such as child trafficking child soldiers and child maltreatment are examined in nations around the world as well as efforts to solve these problems

Women of Afghanistan in the Post-Taliban Era Rosemarie Skaine,2008-10-07 This book examines the changing roles of Afghani women in the aftermath of the overthrow of the oppressive Taliban regime in 2001 It describes the success of women in the workforce and evaluates how their achievements have come about in a nation that struggles to overcome years of poverty corruption regional conflicts and the overwhelming destruction of war The book also covers the unique health challenges faced by women and families living in Afghanistan focusing on recent developments in maternal and reproductive health care the lingering problems associated with food shortages and the improved availability of local emergency services and basic health care Finally the work evaluates the impact of the 2005 resurgence of the Taliban on women and girls

The Department of Labor's ... Findings on the Worst Forms of Child Labor ,2006 *Distant Justice* Phil Clark,2018-11-08 Following the controversy stirred by the International Criminal Court ICC in Africa Clark analyses its multi level impact on national politics and ordinary communities

Water and Post-Conflict Peacebuilding Erika Weinthal,Jessica J. Troell,Mikiyasu Nakayama,2014-02-24 Water is a basic human need and despite predictions of water wars shared waters have proven to be the natural resource with the greatest potential for interstate cooperation and local confidence building Indeed water management plays a singularly important role in rebuilding trust after conflict and in preventing a return to conflict Featuring nineteen case studies and analyses of experiences from twenty eight countries and territories in Africa Asia Europe the Americas and the Middle East and drawing on the experiences of thirty five researchers and practitioners from around the world this book creates a framework for understanding how decisions governing water resources in post conflict settings can facilitate or undermine peacebuilding The lessons will be of value to practitioners in international development and humanitarian initiatives policy makers students

and others interested in post conflict peacebuilding and the nexus between water management and conflict Water and Post Conflict Peacebuilding is part of a global initiative to identify and analyze lessons in post conflict peacebuilding and natural resource management The project has generated six edited books of case studies and analyses with contributions from practitioners policy makers and researchers Other books in this series address high value resources land livelihoods assessing and restoring natural resources and governance AIDS Drugs For All Ethan B. Kapstein, Joshua W. Busby, 2013-08-29 Uses the success of the AIDS treatment advocacy movement to show how social movements can successfully transform global markets *The Pearl of Dari* Zuzanna Olszewska, 2015-11-16 An ethnographic study of poetry and its place among young Afghan refugees living in urban regions of Iran The Pearl of Dari takes us into the heart of Afghan refugee life in the Islamic Republic of Iran through a rich ethnographic portrait of the circle of poets and intellectuals who make up the Pearl of Dari cultural organization Dari is the name by which the Persian language is known in Afghanistan Afghan immigrants in Iran refugees from the Soviet war in Afghanistan are marginalized and restricted to menial jobs and lower income neighborhoods Ambitious and creative refugee youth have taken to writing poetry to tell their story as a group and to improve their prospects for a better life At the same time they are altering the ancient tradition of Persian love poetry by promoting greater individualism in realms such as gender and marriage Zuzanna Olszewska offers compelling insights into the social life of poetry in an urban Middle Eastern setting largely unknown in the West Praise for The Pearl of Dari The Pearl of Dari offers the reader the precious pearl of a genuine reading and learning experience Zuzanna Olszewska combines solid scholarship with uplifting sensitivity to create a lively narrative replete with joyful discoveries of genuine personhood agency and humanity in the midst of multiple marginalities an account of growing up amid layer upon layer of tension bravely defying overwhelming odds Ahmad Karimi Hakkak University of Maryland Olszewska's virtuoso study explores how young progressive Afghan intellectuals use the writing and performance of poetry as a prestigious discourse to sustain community and claim dignity in exile Her work makes an essential new contribution in Persian literary studies ethnolinguistics and refugee cultural studies worldwide Margaret A Mills Professor Emerita of Persian and Folklore Ohio State University

Policing: Toward an Unknown Future John Crank, Colleen Kadleck, 2013-12-16 The enclosed papers are the culmination of a project Dr John Crank and Dr Colleen Kadleck carried out assessing issues facing the police into the early 21st century The papers are future oriented in the sense that they anticipate trends visible today Everywhere the contributing scholars found that the organizational concept practice and function of the police were undergoing transition Yet the seeming state level hardening of the police function was ubiquitous Two themes were noteworthy On the one hand in developing or second world countries police face endemic problems of corruption organized crime and drugs Police in response are undergoing centralization and intensification of law enforcement activities In countries with first world economies Canada the United States and Australia contributors discovered trends toward expansion of the police function a trend described by Brodeur as

toward high policing It reflects the growing reliance on surveillance for crime control and for the tracking of minority indigenous and immigrant populations in crime prevention efforts The results suggest that governments sometimes encouraged by their citizenry seem increasingly to rely on the police to deal with a broad array of social as well as criminal problems This book was originally published as a special issue of *Police Practice and Research*

Immigration Worldwide
Uma A. Segal, Doreen Elliott, Nazneen S. Mayadas, 2010-01-19 International migrants comprise one in 35 people or 3% of the world's population This sweeping sourcebook explores immigration policies and processes in 25 countries and two world regions serving as a valuable reference for scholars and students seeking a wide ranging yet nuanced survey of key issues salient to debates about how to best serve immigrant populations and their host countries

Conflict and Security in Central Asia and the Caucasus
Hooman Peimani, 2009-07-08 This is the only book since the fall of the Soviet Union to analyze the security of the newly emerged independent states in the strategically vital region of Central Asia and the Caucasus This insightful work maps out the possibilities and dangers that lie ahead for the nations of Central Asia and the Caucasus The book analyzes the current security situation and clarifies its historical context identifying the factors that have shaped the security of these young nations since their independence It also examines the parameters political economic ethnic energy and military that will decide the security of the region in the future The book's author tells the whole story behind the headlines when he discusses for example the real reason for the wine war of 2006 when Russia banned imports of Georgian wine for health reasons or when explaining the impact of the expanding American presence both political and military after September 11 Conflict and Security in Central Asia and the Caucasus is a primer for those who want to know more about this strategic region and essential reading for all students of world affairs

Where There is No Government
Sandra F. Joireman, 2011-07-25 In *Where There is No Government* Sandra Joireman explains how weak state enforcement regimes have allowed private institutions in sub Saharan Africa to define and enforce property rights After delineating the types of actors who step in when the state is absent she argues that the institutions they develop can be helpful or predatory depending on their incentives and context Utilizing original research on the competitors to state power in Sub Saharan Africa and the challenges of providing secure and defensible property rights the book is a sharp analysis of one of the most daunting challenges facing the African subcontinent today

Local and Global Dynamics of Peacebuilding
Christine Cubitt, 2012-03-12 *Local and Global Dynamics of Peacebuilding* examines the complex contributing factors which led to war and state collapse in Sierra Leone and the international peacebuilding and statebuilding operations which followed the cessation of the violence This book presents nuanced and contextually specific knowledge of Sierra Leone's political and war histories and the outcomes of the implementation of programmes of post conflict reforms It embodies an analysis of the complex challenges involved in aligning international norms and values to local expectations and local priorities and examines the role of local and global actors and structures in attempts to build a strong state and lasting peace Using a

theoretical framework informed by liberal peace philosophy as well as detailed and nuanced empirical evidence from the field the book constructs a critical analysis of the contemporary global paradigm for building longer term peace in war torn fractured and fragile societies This book will be of much interest to students of peacebuilding war and conflict studies development studies African politics and IR security studies Protracted Displacement in Asia Howard

Adelman,2016-04-15 In a protracted displacement situation refugees are sequestered in camps without right of mobility or employment their lives remain on hold and stagnate in a state of limbo for a long period This book reviews the situation and results of research and policies that have left refugees as a forgotten group in protracted situations The work features case studies by experts who conducted field work examining long term protracted refugee situations in Nepal Thailand and Bangladesh the protracted internally displaced IDP situation in Sri Lanka and the refugee and IDP situation in Afghanistan Also discussed is an emerging protracted refugee and IDP problem in Iraq The volume concludes with an analysis of the lessons learned and the applications for policy and incorporates a valuable bibliography detailing research in this hugely important area This is a critical resource for academics and policy makers concerned with migration and governance issues

International Criminal Justice in bello? Philipp Kastner,2011-10-28 The International Criminal Court ICC plays a particularly delicate role in situations of ongoing armed conflicts both from a legal and a political perspective While the primary objective of the ICC Statute is to end impunity States Parties and the UN Security Council were mainly driven by political considerations when they triggered ICC jurisdiction over the situations in northern Uganda and Darfur In this book the author discusses strategies within the legal framework governing the Court to counter such politicization He concludes that although the ICC can have beneficial effects on ongoing armed conflicts its primary raison d'être should not be to influence politics but to continue to fight impunity in the long run Issues in Peace and Conflict Studies CQ
