WINGS OF WAR

Wings of War is a game series in which one or more players control airplanes and anti-aircraft defenses during World War I and II, using cards to represent planes and maneuvers. Each set in the *Wings of War* line is a standalone game, but all sets for the same period are fully compatible and work together to allow for larger battles with different airplanes. (However, the WWI and WWII games will not work together.)

For players who are already familiar with the *Wings of War* system, there are two major changes to gameplay in the World War II line. First, players do not have to plan as many maneuvers in advance as they do in the previous, WWI-era sets. Second, these rules use speed markers to represent whether a plane is moving at high or low speed. Certain maneuvers can only be performed if a plane is moving
