While World War II has been over for two years, its horrors linger within society, and chance encounters expose the still festering wounds. Like most Americans, Beatrix Patterson and her husband Thomas Ling are trying to accept the past in order to focus on the future and a family. Despite her desire for a quiet life, Beatrix must become a pursuer of truth once again when asked to expose suspected war criminals who may have killed thousands in a diabolical scheme to rob Indigenous Americans of their relics and a person practicing voodoo as a means to murder a respected member of the Santa Barbara religious community. Who can she trust to speak the truth when everyone involved seems to be hiding something that could ruin their lives? Each book in the Beatrix Patterson Mysteries is written as a stand-alone. Readers do not need to read every book in the series to follow along. Order of Books in the Beatrix Patterson Mysteries: 1. The Seer 2. The Finder 3. The Pursuer. *The Beatrix Patterson Mysteries Boxed Set Books 1-3* Eva Shaw, 2023-12-19. For fans of World War II fiction and historical mysteries, the Beatrix Patterson Mysteries are sure to keep readers turning pages. Beatrix has a particularly gifted memory that often gets her into trouble while giving her the means to help others. Follow her through World War II and the following years.
