by Jean Hollis Weber

This document accompanies "Developing a Department Style Guide," published at <http://www.techwhirl.com>, and includes a sample outline of a style guide.

Some of the sections include some detailed sample text; others do not. Please note that the examples shown here are not necessarily the "correct" choices, or the "preferred" choices, or the "best" choices; they are simply **examples** of things to include. Your project may require additional items, especially if your writing will be used on a Web site.
