Summary of Kenneth Roman & Joel Raphaelson's Writing That Works, 3rd Edition Everest Media, 2022-06-22T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The goal of clear communication is not to be clear but to be effective You won't be able to take action on the information if it is unclear or irrelevant to the subject 2 To get action from busy people your writing must cut through to the heart of the matter It must require a minimum of time and effort on the reader's part The importance of this increases with the importance of your reader 3 The biggest time waster is shuffling things from one pile to another while you drown in a sea of indecision Effective executives try to handle paper only once and they delete or respond to e-mail on the spot Technical Writing That Works Edward J. Altmann, George J. Hallesky, 2011-10-25 Technical writing is informative prose concerning mechanical or scientific subject matter The contents of good technical writing has not changed throughout the years but the methods by which we convey this subject matter has changed as a result of the computer and the Internet Technical writing must be clear concise correct and complete This text conveys the procedures writers need to follow to meet the goal of good technical writing to allow each reader to receive the same meaning from a piece of writing Writing that Works Walter E. Oliu, 2004 **How to Say it Business Writing that Works** Adina Gewirtz, 2007 A practical manual introduces a simple and effective ten step program for developing persuasive and successful business writing explaining how to determine the proper audience select the most effective words create polished prose and more Original **Summary of Writing That Works by Kenneth Roman and Joel Raphaelson** QuickRead, Alyssa Burnette, Do you want more free book summaries like this Download our app for free at <https://www.QuickRead.com> App and get access to hundreds of free book and audiobook summaries Business communication that will help you get what you want Business communication is an art form Yes you read that right That's because it's different from a text to your buddy and it's different from an email or an Instagram post Written in 1981 this old school guide will teach you how to communicate in the business world and cultivate a writing style that will help you succeed **DISCLAIMER** This book summary is meant as a summary and an analysis and not a replacement for the original work If you like this summary please consider purchasing the original book to get the full experience as the original author intended it to
