**European-language Writing in Sub-Saharan Africa** Albert S. Gérard, 1986 The first major comparative study of African writing in western languages European language Writing in Sub-Saharan Africa edited by Albert S. Gérard falls into four wide ranging sections an overview of early contacts and colonial developments Under Western Eyes chapters on Black Consciousness manifest in the debates over Panafricanism and Negritude a group of essays on mental decolonization expressed in Black Power texts at the time of independence struggles and finally Comparative Vistas sketching directions that future comparative study might explore An introductory e *The Age of Sharing* Nicholas A. John, 2016-12-01 Sharing is central to how we live today it is what we do online it is a model of economic behaviour and it is also a type of therapeutic talk Sharing embodies positive values such as empathy communication fairness openness and equality The Age of Sharing shows how and when sharing became caring and explains how its meanings have changed in the digital age But the word sharing also camouflages commercial or even exploitative relations Websites say they share data with advertisers although in reality they sell it while parts of the sharing economy look a great deal like rental services Ultimately it is argued practices described as sharing and critiques of those practices have common roots Consequently the metaphor of sharing now constructs significant swathes of our social practices and provides the grounds for critiquing them it is a mode of participation in the capitalist order as well as a way of resisting it Drawing on nineteenth century literature Alcoholics Anonymous the American counterculture reality TV hackers Airbnb Facebook and more The Age of Sharing offers a rich account of a complex contemporary keyword It will appeal to students and scholars of the internet digital culture and linguistics

**The Piracy Years** Holger Briel, Michael High, Markus

Heidingsfelder,2023-06-15 The Piracy Years Internet File Sharing in a Global Context is the first collection to provide an overview of digital piracy s recent past and its potential futures Combining research essays interviews and overviews the volume brings together leading scholars and infamous digital pirates from China Germany the Netherlands Nigeria Russia the United Kingdom and the United States In June 1999 the peer to peer P2P file sharing website Napster transformed the availability of online content but the site was quickly sued into oblivion Despite the highly publicised shutdowns of a number of P2P websites many continue to thrive and digital piracy has become a global phenomenon This book argues that any future media theory and research will have to contend with such web practices remaining an integral and politically formative part of the Internet Offline and online piracies thrive on technological affordances in opposition to corporate efforts in music film publishing and academia to label them as threatening to the economy and society Therefore this book explores piracy as a phenomenon navigating the conventions norms and boundaries of legality in digital cultures Pirate networked sociabilities work within and outside the fringes of market economy through the lens of institutional and discursive power By creating new ways that keep society moving and from stagnation they ensure its continued existence including the survival of the very areas they attack The Piracy Years is an essential resource for researchers post graduate students and anyone interested in the global spread and ever increasing importance of digital piracy

### **Writing Today Second Edition Torrent Introduction**

In today's digital age, the availability of Writing Today Second Edition Torrent books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Writing Today Second Edition Torrent books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Writing Today Second Edition Torrent books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Writing Today Second Edition Torrent versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Writing Today Second Edition Torrent books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Writing Today Second Edition Torrent books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they

can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Writing Today Second Edition Torrent books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Writing Today Second Edition Torrent books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Writing Today Second Edition Torrent books and manuals for download and embark on your journey of knowledge?
