In the media, working class immigrant women are often depicted uneducated, conniving and inarticulate. My life, however, as an SFSU graduate student and as a working class immigrant Pilipina American who has supported herself since age 18—speak of a different experience. Watching both my parents slave over 12 hour working days, seven days a week in menial labor jobs just to make rent for a one bedroom apartment was my reality as a child. My parents' work ethic and daily struggles continue to serve as an inspiration for me to strive for a relevant and meaningful education and profession—and to be the first in my family to receive a graduate degree.

Thanks to my parents' encouragement, I was able to graduate cum laude at UCLA with a Psychology and Asian American Studies double major and an Education minor. In my four years at UCLA, I was a five time recipient of the Provost's Honors List. My most rewarding experiences in college, however, were outside of the classroom walls. As a graduating senior I was also recognized with the UCLA Chancellor Service Award, the Pilipino Graduation Enlightenment Award and A. Magazine's Top 10 Student Leader in the Nation for initiating my own community service tutorial project in South Central, Los Angeles – a poor, urban and underserved community. The project was called Project S.E.T. (South Central Evening Tutorial) and we mentored and tutored the children of immigrant parents who were attending evening adult school four nights a week.

Scholarship Essay Winner's Guide Kyla M, 2023-07-06

YOU GOTTA HAVE THIS YOU NEED THIS FEAST THOSE SAVAGE EYES ON IT THE ALL MIGHTY DOLLAR Scholarship Essay Winner's Guide GET THAT MONEY was written for YOU Whether you are an advanced writer or a writer like me with mediocre writing talents this book is for you When I was in high school I was hesitant about applying for scholarships because in my mind I knew that either my subject verb agreement was not going to be up to par or that the scholarship committee was going to favor someone they already knew Sure there were some local scholarships that I know I should have won in which the scholarship committee favored someone else On the other hand there were a couple of local scholarships in which I did win and as far as those state national and foundational scholarships I GOT THAT MONEY JUST WRITE This book is comprised of award winning scholarship essays that I recently wrote during my junior and senior year of high school When my high school counselor emailed to me my first scholarship application I read over the application and saw that I met all of the qualifications Then I saw the requirements and one of them was to write a 1500 word essay I very quickly shoved the application into my math folder and did not think twice about it When I got home from school that evening my mother as she always does asked me if I had homework I told her that I did not have any homework Between you and I I did have homework but I did not want to do it at that time Ok I was untruthful to her but I did share with her that I had received a scholarship application and that I was not interested because I already had too much on my plate She asked to see the document and I gave it to her and went to my room and laid across my bed thinking that I was getting ready to do what I do best take a nap Needless to say she burst into my room and shouted Oh no ma am Get up You gone apply for this scholarship I aint got no money to be paying for college and you definitely don't want to be getting all those loans or having to swing from pole to pole to pay for it To sum up the situation I ended up applying for the scholarship It took me a couple of weeks to get it all together and I must say that the toughest part was writing the essay However once I was finished it was like a weight lifted off my shoulders About a month later I received an email and a letter in the mail reading that I had won the scholarship The best part of this scholarship and several others that I received was that I was given a check with my name on it The check was not sent to the university in which I was planning to attend it was written and given directly to me about a month after I applied

for the scholarship I used the scholarship money to purchase the new Air Jordan sneakers that I had been longing for JUST KIDDING I deposited it into my savings account and when I graduated high school I used it to purchase items for college My winning that very first scholarship was the motivational boost that I needed to move forward to apply for many more scholarships After that first triumph I knew that I could do it I started worrying the heck out of my school counselor Every week after that either my mother or I was emailing or asking if she had received any other scholarships in which I could apply Scholarships are the best way for teens especially high schoolers to earn money for their future My advice to you is to apply for as many scholarships in which you qualify to apply for Please do not sell yourself short You can do this You do not have to be an advanced writer that is why you ask at least two people preferably a teacher and another adult or friend who are proficient writers to proofread and assist you along the way like I did IF YOU LIKE MONEY LET ME HELP YOU GET THAT MONEY
