McWhorter,2010-05-19 Click here to find out more about the 2009 MLA Updates and the 2010 APA Updates Reading specialist Kathleen McWhorter understands that students are often lacking in the skills they need to succeed in the first year writing course and need a text that doesn t assume they have mastered all the basics Successful College Writing meets students where they are offering extensive instruction in careful and critical reading practical advice on study and college survival skills step by step strategies for writing and research detailed coverage of the nine rhetorical patterns of development and 64 professional and student readings that provide strong rhetorical models as well as an easy to use handbook in the complete edition McWhorter s unique visual approach to learning uses graphic

organizers revision flowcharts and other visual tools to help students analyze texts and write their own essays Her unique attention to varieties of learning styles also helps empower students allowing them to identify their strengths and learning preferences *Write Here: Developing Writing Skills in a Media-Driven World* Randi Brummett de Leon, Brooke Hughes, 2020-04-30 Write Here is designed to teach students essential reading and writing skills using media examples to help explain academic concepts and provide opportunities for practice It is adaptable because it covers the basics of reading writing and the modes of writing it is appropriate to use in developmental composition classrooms However it also covers such topics as logical fallacies rhetoric timed writing academic writing source integration and MLA APA documentation making it appropriate for a first year or stretch composition course Many beginning writing students are underprepared and feel that writing just isn't for them The authors hope to dispel that myth by using media examples and a conversational tone to introduce and teach the material Write Here provides examples that are interesting to students while allowing them to connect to the subject matter on a more personal level additionally the process of analyzing the media helps students sharpen their reading writing and critical thinking skills *Successful College Writing* Kathleen T. McWhorter, 2012-01-16 Because so many first year writing students lack the basic skills the course demands reading specialist McWhorter gives them steady guidance through the challenges they face in academic work Successful College Writing offers extensive instruction in active and critical reading practical advice on study and college survival skills step by step strategies for writing and research detailed coverage of the nine rhetorical patterns of development and 61 readings that provide strong rhetorical models as well as an easy to use handbook in the complete edition McWhorter's unique visual approach to learning uses graphic organizers revision flowcharts and other visual tools to help students analyze texts and write their own essays Her unique attention to varieties of learning styles also helps empower students allowing them to identify their strengths and learning preferences Read the preface *The Humble Essay* Roy K. Humble, 2008-09 Unlike other composition books The Humble Essay is written for students who wisely have no intention of becoming English majors It provides the concepts they need to write thoughtful and effective college essays but it does so with brevity humor and jargon free language that will not put them gently to sleep If you or your students need to learn to write college essays without falling asleep this could well be the book you're looking for *Writing Essays and Reports* Stephen McLaren, 2001 This book is your easy guide to preparing essays and reports for high school TAFE university or business setting up a timeline for writing essays and reports research techniques structuring your work clearly and effectively drafting editing and rewriting referencing other material in your work grammar punctuation and language issues INVESTIGATING COMPARABILITY OF WRITING TASKS WITH PICTURE PROMPTS IN AN IN-HOUSE ENGLISH PROFICIENCY TEST YALI SHI, 2022-04-28 For security reasons using parallel writing tasks within or across different test administrations is common practice in large scale language testing Lack of task comparability would result in unjustified variance in test performance and consequently jeopardize test validity and

fairness Thus it is crucial for test developers to gather empirical evidence from different aspects to substantiate the fairness argument that scores are consistent and score based decisions are impartial across parallel tasks Despite many studies hitherto on writing task comparability those addressing picture prompt writing tasks in an integrated manner have remained quite underexplored Therefore this book investigates the comparability of five writing tasks with picture prompts randomly assigned across testing occasions in an in house English proficiency test EPT of a comprehensive university from three perspectives the scores the texts and the raters and test takers Results show that task difficulty is not comparable either in terms of some lexical syntactic and content features elicited or as judged by raters and test takers which could be related with topic familiarity and conceptual clarity of the picture prompt Yet overall task comparability is achieved in not only final scores but also score distribution and classification accuracy The findings support the fairness argument for EPT writing and provide theoretical practical and methodological implications Essays and Essay Writing Bernard Levi Jefferson,1929
