Streamline Study Guide Bobby Ondago,2015-07-30 The creation of this book resulted from over ten years of experience working with numerous students on the SAT Math Level 2 Subject test Having

used numerous texts and resources to prepare students for the test I was well aware of the shortcomings that each source exhibited I always had to rely on 2 3 books at a time to ensure that my students were well prepared There was no single source that provided a complete and in depth study guide to prepare for the test My goal was therefore to create a comprehensive study guide that covered all the topics being tested The materials in this book are well organized and aim to provide students with an easy to follow study guide that will enable them to gauge their progress as they move from one unit to the next The first chapter contains critical strategies that each student needs to master in order to outperform his her own expectations The rest of the topics are divided into 9 chapters that include basic concepts formulas and examples At the end of each chapter is a chapter review that contains a lot of practice problems necessary to test your understanding of the concepts learned It is my belief that practice makes perfect and through hard work dedication and rigor every student can be successful Having attended Stanford University and worked with numerous students in college admissions counseling I know how competitive the college admissions process has become Students need to garner every inch of advantage to distinguish themselves from the rest of the application pool The SAT Subject Tests provide such an avenue Although most colleges do not require subject tests subject tests are usually highly recommended It is my greatest hope that this book will provide a great resource to each student studying for the Math Level 2 test I would welcome any comments suggestions or questions you may have via email to ondago@gmail.com In addition please feel free to email me with regards to any errors you may encounter while using the book Your feedback will be highly valuable in updating and the completion of any future editions of this book

Streamline Study Guide Bobby O. Ondago, 2016-02-16 This Solution Manual is designed to be used in conjunction with Streamline Study Guide SAT Subject Test Math Level 2 Edition 1 For each question the book provides the correct answer and at least one worked out solution The methods and strategies listed provide the easiest most efficient and straightforward way of solving each problem Each method identifies important concepts being tested how to approach the problem and eventually how to solve the problem The goal is not only to help test takers understand all the concepts and be able to answer as many questions as possible correctly but to go beyond that and anticipate some of the pitfall tricks and errors encountered by most test takers This Solution Manual also emphasizes the four main strategies that are vital to the test Process of Elimination POE Guess and Check GC Picking Numbers PN and Calculator Usage CU Please refer to General Strategies pages 15 33 on Streamline Study Guide SAT Subject Test Math Level 2 Edition 1 for a complete overview on how to employ each strategy Finally remember that developing great problem solving skills takes practice and time Therefore be patient take your time while analyzing each solution and make sure you fully grasp each answer and concept before moving on to the next problem It is my greatest hope that this Solution Manual will prove to be a great resource to every student studying for the test I would welcome any comments suggestions or questions you may have via email to ondago@gmail.com In addition please feel free to email me with regards to any errors you may encounter while using the book Your feedback
