Study Guide The Pursuit Of God:

The Pursuit of God with Study Guide A. W. Tozer, 2006-01-01 Sometimes the voices that speak most clearly in the present are those that echo from the past So it is in this Christian classic by the late pastor and evangelist A W Tozer In The Pursuit of God Tozer brings the mystics to bear on modern spirituality grieving the hustle and bustle and calling for a slow steady gaze upon God With prophetic vigor and flowing prose he urges us to replace low thoughts of God with lofty ones to quiet our lives so we can know God s presence He reminds us that life apart from God is really no life at all Tozer s bestseller this book has been called one of the all time most inspirational books by a panel of Christian magazine writers And with this study guide ideal for group or individual use reflection and discussion questions will help you internalize the content and apply it to your life

The Pursuit of God A. W. Tozer, 2020-08-18 During a train trip from Chicago to Texas in the late 1940s A W Tozer began to write The Pursuit of God He wrote all night and when the train arrived at his destination the rough draft was done The depth of this book has made it an enduring favorite Readers cannot help but hear the voice of God calling them to a deeper relationship with Him while reading this amazing classic From beginning to end each page in The Pursuit of God is an impassioned plea for the reader to abandon comfortable Christianity in order to truly know God as He desires to be known This is the most important and foundational book of the Christian faith written by a man who wore holes in the knees of his pants from praying The Pursuit of God challenges the reader to consider their own faith in Christ and what they should be doing with that faith in virtually every chapter The chapter entitled The Blessedness of Possessing Nothing should be required reading for anyone confessing Christ as their Lord If you have not done so already please read this book Your life and the lives of those you share this book with will be forever enriched

The Pursuit of God A. W. Pursuit of God Tozer, **The Attributes of God Volume 1** A. W. Tozer, 2007-02-14 The most important question For A W Tozer no question is more important than What is God like The desire to know God consumed his entire life and ministry That s why those who read him come to know God more intimately Originally preached as sermons at Southside Alliance Church in Chicago this first volume of The Attributes of God examines ten attributes of God It also includes a study guide for an in depth look at each attribute Infinite Immense Good Just Merciful Gracious Omnipresent Immanent Holy

Perfect Steeped in Scripture and filled with the Spirit Tozer preached with striking clarity and power The sense of his sermons comes through on every page bringing the Word of God to bear upon you If a sermon can be compared to light then A W Tozer released a laser beam from the pulpit a beam that penetrated the heart Warren Wiersbe former pastor of The Moody Church

The Pursuit of God by A W Tozer is a masterful study of the inner life focusing on the deep things of God and the riches of His grace The author emphasizes the importance of seeking God and experiencing His presence in our lives Tozer argues that modern Christianity has lost the sense of wonder and awe that should accompany faith in Christ He believes that the key to a deeper relationship with God is through humility obedience and love Tozer highlights the importance of faith and the need for a personal experience with God rather than just relying on religious rituals or doctrines He encourages believers to seek an intimate and satisfying knowledge of God which can only be achieved through a personal relationship with Him The author also discusses the importance of surrendering our lives to God and allowing Him to be exalted above all else Throughout the book Tozer emphasizes the need for Christians to break free from the sacred secular divide and to live every aspect of their lives for the glory of God He believes that all acts whether seemingly mundane or spiritually significant can be acts of worship when done with the right intention and in the spirit of love for God In conclusion The Pursuit of God is a call for believers to seek a deeper more intimate relationship with God and to live lives that are fully surrendered to His will and purpose

The Pursuit of God A. W. Tozer, 2015-02-27 The Pursuit of God by A W TOZER Made of ten chapter plus the introduction the pursuit of God is just not one of the many books wrote by A W Tozen about Christianity God and the Christian message The book is basically made to seem a path that would ideally guide the reader along his understanding of God This book has the finality to guide not just attention and actions of the readers in the right way to reach the understanding of God but would like to forge their thoughts as well in order to make them follow a series of steps which would ideally drive them to an higher level of satisfaction and an higher level of Christianity One of the ideas behind this work is that the priority of spend time taking care of spirituality and understanding the divine essence has been forgotten for too long The reason of this fact is mainly attributable at a tendency to see religion and spirituality more as an hobby then as a passion and a dutie For all these reasons what the author would like to do is to shake people consciousness in order to delete this tendency and make the love for God shine again on Christians lives The author in his book says that the only way to highlight again the message of the Christianity is to pray and meditate with

consciousness and determination to reach a deeper level of concentration about our soul All the work is based on the message of God and on the need to keep this message and the divine as the heart of our essence since this is the only way we have to lead to peace and to emotional and spiritual safety and satisfaction Into chapters of the book the author keep on remembering to his readers the importance of Christian s values he encourage us to think about God in order to create into our mind a clear idea of him as of someone who is really and strongly into our lives On the same idea are based also other works of this writer such as the most known which are the root of right precious gems of spirituality What happened to adoration and last but not least the research of God All these book together would ideally let the reader know about the author s deep understanding of God and would help him to understand why and in which circumstances he betrayed his faith or did something that maybe is keeping him far from God and from his message of love and acceptance Here is a masterly study of the inner life by a heart thirsting after God eager to grasp at least the outskirts of His ways the abyss of His love for sinners and the height of His unapproachable majesty and it was written by a busy pastor in Chicago Who could imagine David writing the twenty third Psalm on South Halsted Street or a medieval mystic finding inspiration in a small study on the second floor of a frame house on that vast flat checker board of endless streets Where cross the crowded ways of life Where sound the cries of race and clan In haunts of wretchedness and need On shadowed threshold dark with fears And paths where hide the lures of greed But even as Dr Frank Mason North of New York says in his immortal poem so Mr Tozer says in this book Above the noise of selfish strife We hear Thy voice O Son of Man My acquaintance with the author is limited to brief visits and loving fellowship in his church There I discovered a self made scholar an omnivorous reader with a remarkable library of theological and devotional books and one who seemed to burn the midnight oil in pursuit of God His book is the result of long meditation and much prayer It is not a collection of sermons It does not deal with the pulpit and the pew but with the soul athirst for God The chapters could be summarized in Moses prayer Show me thy glory or Paul s exclamation O the depth of the riches both of the wisdom and knowledge of God It is theology not of the head but of the heart **Inspired**
