Compulsory Block-booking and Blind Selling in the Motion-picture Industry United States. Congress. Senate. Committee on Interstate Commerce, 1938 [The Virginia Teacher](#), 1935 **Hearings** United States. Congress. House, 1936 *The Theatre of Timberlake* Wertenbaker Sophie Bush, 2013-09-12 The Theatre of Timberlake Wertenbaker offers the first

comprehensive overview of Wertenbaker's playwriting career which spans more than thirty years of stage plays. It considers the contexts of their initial productions by a range of companies and institutions including the Royal Court, the Arcola, and the Women's Theatre Group. While examining all of Wertenbaker's original stage works, Sophie Bush's companion focuses most extensively on the frequently studied plays *Our Country's Good* and *The Love of the Nightingale*, but also draws attention to early unpublished works and more recent critically neglected pieces, and the counterpoints these provide. The Companion will prove invaluable to students and scholars, combining as it does close textual analysis with detailed historical and contextual study of the processes of production and reception. The author makes comprehensive use of previously undiscussed materials from the Wertenbaker Archive, including draft texts, correspondence, and theatrical ephemera, as well as original interviews with the playwright. A section of Performance and Critical Perspectives from other scholars and practitioners offers a range of alternative approaches to Wertenbaker's most frequently studied play, *Our Country's Good*. While providing a detailed analysis of individual plays and their themes, theatricalities, and socio-historical contexts, *The Theatre of Timberlake* Wertenbaker also examines the processes and shape of Wertenbaker's career as a whole and considers what the struggles and triumphs that have accompanied her work reveal about the challenges of theatrical collaboration. In its scope and reference, Sophie Bush's study extends to encompass a wealth of additional information about other individuals and institutions, and succeeds in placing her work within a broad range of concerns and resonances.
