Lesson 2: Peking Opera and Kabuki Theatrical Art Forms

Art of Peking Opera

One of the well-known theater art forms in China is the Peking opera or sometimes called Beijing opera. It combines music, vocal performances, pantomime, dance, and even acrobatic movements. Its history dates back to the late eighteenth century. Its full theatrical development and recognition has occurred during the mid-nineteenth century. During the Qing dynasty, this theatrical art form became extremely prevalent until it became one of the best art treasures of China.

Performers' Training

Performers are usually hand picked by a master teacher at a young age. This was indeed a sacrifice for a performer due to its tedious practice for seven years, with their parents' permission. In 1911, formal school trainings were organized. They rose as early as five o'clock in the morning for their exercises. Acting and combat skills were their daytime tasks while the senior students are assigned to perform outside theaters at night.

Performers' Role

1. **Sheng** is the main male lead role.
