beyond a sign that readership had expanded as well as an indicator of what the bulk of Americans were eating As well recipes that were considered American were developed All of these recipes are in their original form and have been taken from contemporary published or private cookbooks The explanations after the recipes give historical information and suggestions if the recipe is vague or if it calls for an unusual ingredient Dining tips are included as well Period illustrations complement the recipes Brill's Content ,2000-07 New York Cooks Gillian Duffy,2003-10-28 Every year New York magazine publishes two definitive guides to entertaining one for summer one for the holidays New York Cooks collects the best recipes from these issues showcasing the creations of the city s greatest chefs **The Publishers Weekly** ,2007
