

Tim Burton Style Analysis Essay Outline

Intro Paragraph:

In this paragraph you need to discuss Tim Burton. What is personality like? How does his personality match the tone of his films? What are his influences? (You already did some of this on pg. 135 of your textbook.)

You need to close your opening paragraph with your thesis statement: "Burton uses cinematic techniques such as _____ and _____ to give his films, (name the films you will be referencing in your paper), a _____ feeling that resonates with audiences."

Body Paragraphs x 2:

Begin your topic sentence with a transition word or phrase and then identify and describe **what** one of the techniques was that Burton used. (This should be the first cinematic technique you mentioned in your thesis statement.)

- ✓ Now support your claim with evidence. The evidence is **how** Burton uses the technique in one of his films. Start by describing a scene. Be sure to use enough detail and explanation that it will make sense even to someone who has never seen the movie.
- ✓ Now go on and explain the director's purpose. **Why** did he use this technique? How was it supposed to make the audience feel? (Be sure to use 'emotion' words.)

Now use a transition word to indicate that you are adding another piece of evidence (additionally, furthermore, also). Now repeat the check-marked steps above using the same technique but a different scene from a different film.

To close out your paragraph, provide an analysis on **how** successful the director was in achieving his desired effect and **why**. Be sure to address both examples you've used above. Perhaps you think one example was more impactful on the audience than another.

Repeat this process for your 2nd body paragraph.

Closing Paragraph:

Start with a transition which indicates you are bringing your essay to a close. Restate your thesis and main points but in different words.
