The book is thoughtfully structured to explain the elements of good legal writing and its most effective use. It catalogues all aspects of legal style: topic by topic, phrase by phrase, usage by usage. It scrutinises them all, suggesting improvements. Its dictionary arrangement makes it easy to navigate. Entries cover matters such as abbreviations, acronyms, active and passive voice, brackets, bullet points, citation methods, cross-referencing, fonts, document design, footnotes, gender-neutral language, numbering systems, plain legal language, punctuation, the use of Latin in law, structures for legal advice and documents, and techniques for editing and proofreading.
