9781468609714 9781468609721 DOI https://doi.org/10.4271/9781468609714 Something Between Us Anand Pandian, 2025-05-27 An anthropologist's quest to understand the deep social and political divides in American society and the everyday strategies that can overcome them. In 2016 Anand Pandian was alarmed by Donald Trump's harsh attacks on immigrants to the United States, the appeal of that politics of anger and fear. In the years that followed he crisscrossed the country from Fargo, North Dakota to Denton, Texas from southern California to upstate New York seeking out fellow Americans with markedly different social and political commitments, trying to understand the forces that have hardened our suspicions of others. The result is *Something Between Us: The Everyday Walls of American Life and How to Take Them Down*, a groundbreaking and ultimately hopeful exploration of the ruptures in our social fabric and courageous efforts to rebuild a collective life beyond them. The stakes of disconnection have never been higher. From the plight of migrants and refugees to the climate crisis and the recent pandemic, so much turns on the care and concern we can muster for lives and circumstances beyond our own. But as Pandian discovers, such empathy is often thwarted by the infrastructure of everyday American life: fortified homes and neighborhoods bulked up cars and trucks, visions of the body as an armored fortress, and media that shut out contrary views. Home and road, body and mind, these interlocking walls sharpen the divide between insiders and outsiders, making it difficult to take unfamiliar people and perspectives seriously, to acknowledge the needs of others and relate to their struggles. Through vivid encounters with Americans of many kinds, including salesmen, truck drivers, police officers, urban planners, and activists for women's rights and environmental justice, Pandian shares tools to think beyond the twists and turns of our bracing present. While our impasses draw from deep American histories of isolation and segregation, he reveals how strategies of mutual aid and communal caretaking can help to surface more radical visions for a life in common with others, ways of meeting strangers in this land as potential kin. *The New York Times Index*, 2008 Chicago Tribune Index, 2005 Consumers Index to Product Evaluations and Information Sources, 1997 **Autocar**, 2003 **The Times Index**, 2013 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Time educational supplement Scotland and the Times higher education supplement *Business Periodicals Index*, 2007 *Product Safety & Liability Reporter*, 2001 **Road and Track**, 2002 Automotive News, 2002 The Christian Science Monitor Index, 2000 **Time** Briton Hadden, Henry Robinson Luce, 2002-04 **American Demographics**, 2001 The Boston Globe Index, 1998 *Backpacker*, 2004-03 Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often.
