Understanding the End Times Rich Chasse,2022-09-02 People are fascinated and sometimes terrified by the subject of the End Times and the book of Revelation The topic can be disturbing For some people it can even be scary There s a lot of misinformation out there There are many teachers playing on the insecurities of people with End Times updates that stir up curiosity or fear taking advantage of many as a result To understand how to approach the study of End Times events we need to ask an important

question Are current events pointing to a soon return of Jesus How we answer this question will influence how we view the rest of prophecy It s important to understand what goes into answering this question correctly When you turn on the news and watch events unfold do you sense the tension When you flip through your social media or the internet and look at all the things that are happening does it cause you heartburn or maybe heartache Would you say we are in a unique time in world history So how do you answer the question We ll answer that and more in Understanding the End Times Are Current Events Pointing to a Soon Return of Jesus *SCM Studyguide Biblical Hermeneutics* David Holgate,2013-01-25 SCM Studyguide to Biblical Hermeneutics offers entry level undergraduates a framework for interpreting the Bible The book goes beyond offering guidance on how to do exegesis and is intended as a practical tool to help readers develop good interpretative strategies for themselves As such it features pedagogical tools such as Try it Out boxes to assist students to develop a tested and thought through overall interpretative strategy of their own Market tested to ensure a good coverage of the typical topics found on a standard level one hermeneutics course this Studyguide is designed as a practical and comprehensive companion to coursework be that within a secular institution a theological institution or within Church reading groups The authors set out from the beginning to make clear that interpretation of the Bible is largely affected by the reader s own situation and therefore the text is designed to guide the reader through the myriad of accepted methods of interpretation no matter what the reader s own perspective or situation may be The Siri Method Aaron Siri,2007 Bullying in a Small Town of China Jinlong Wang,101-01-01 In a small town of North China Fengjin generation after generation people have been suffering from the unfairness and injustice under an extreme social system The powerful and the rich have dominantly occupied core social resources The law of jungle prevails and tragedies exist everywhere Gongsun Ji was born in Fengjin the small town of North China From the moment he opened his eyes to the world he has experienced all kinds of unfairness and injustice that the small town of Fengjin brought to ordinary people as well as the disasters of people fighting and tearing each other apart The atmosphere of beating and scolding in Fengjin has a long history Gongsun Ji has no way of verifying where the tradition of beating and scolding in Fengjin originated from and why it started He only remembers the beating and scolding he experienced growing up and he doesn t know how long this vicious cycle of beating and scolding will continue To gain a foothold in the small town like Fengjin you have to be ruthless be tolerant or be gone In an extremely centralized and authoritarian society when social wealth is seriously unbalanced the powerful tends to hold power no matter how which will continue to strengthen the polarized distribution mechanism of social wealth leaving those innocent and helpless ordinary people who work hard without any hope of improvement If things go on like this it will inevitably arouse all kinds of social dissatisfaction and various social problems will arise in the micro areas Gongsun Ji did not know what the future society would be like but having grown up under an extreme system in a small town he had visited many parts of the world and seen some foreign civilizations under different social systems He once thought that some people and some things might be

different The future belongs to the people of future but now is the present and people can still think more reflect and do something
