Branding and Product Design Monika Hestad,2016-04-15 Why do winning brands appear to be more creative and authentic than less successful ones Despite the strong link between famous brands and the products sold under their name there is still a gap in understanding the relationship between product design and brand building Monika

Hestad plugs that gap Branding and Product Design discusses key questions about the link between product and brand and about design processes and innovation It examines these questions on both macro and micro levels and provides the reader with tools to help understand the role of products in building a brand and how to bring the brand and the product design process together These are based on the author s research into branding and product design her years of teaching these topics and her own industrial practice Qualitative interviews delivering an insider perspective on major brands bring abstract concepts to life The book includes case studies from well known and up and coming brands and will prove invaluable to design practitioners marketers managers and other professionals working close to designers It will also benefit those teaching and studying particularly if they are involved in the new higher education programmes where business schools and design schools are co operating to reflect the intersection between design and branding **Web Design For Dummies** Lisa Lopuck,2012-04-24 Build your own eye popping site design Create a user friendly site design great graphics and make updating easy Whether you re designing a site on your own or are a member of a design team this updated guide will be your best assistant
