predecessor the widely beloved Senator Bill Rice Just two years ago Eastwood an African American was Connecticut's attorney general He was appointed by Governor Domenic Guillermo to succeed Senator Bill Rice killed by an assassin's bullet at the instant a US Air Force F 16 fighter was downed by Washington based defensive missiles exploding over Rice's head The aircraft was on an angle of attack toward the US Capitol Rice had been Eastwood's lifelong mentor his meal ticket He had managed Eastwood's appointment to West Point entry to Yale Law School court clerkship Senate staff job and designation as state attorney general Senator Eastwood with both a carte blanche from the President and surreptitiously provided Israeli intelligence redirects a feckless federal inquiry to identify the perpetrators of the air attack and Rice's assassin His success has a few political liabilities but the rewards cast him onto the national political stage Governor Guillermo appointed Eastwood to the senate hoping he would promote his presidential aspirations Eastwood is not consciously disloyal to Guillermo rather he is swept up by changing political winds Terrorism moves to the top of the public's issue agenda for the presidential race Eastwood catches the draft But Guillermo remains mired in issues of fading significance His gubernatorial re election in 2006 is at risk With typical guile Davids makes a proposition to Eastwood He would appoint Guillermo as ambassador to the Vatican The deal included a corrupt arrangement with an Italian aviation firm AviItalia which had just won a contract to provide the White House Marine One helicopter The appointment to the Vatican would gracefully remove Guillermo from his failing gubernatorial re election opening it to a Republican win but rescuing Eastwood from hostile state Democrats Some were thinking a recall of Eastwood from the US Senate believing his quick leap to fame and a certain presidential nod for the 2008 race had come at Guillermo's expense But Eastwood rejects involvement in Davids' scheme his high minded image of the President shattered forever Even Atlas shrugged Eastwood thinks The story tempts the genre of political thrillers Washington's decision making machinery is portrayed with zealous accuracy For the neo realist facts buttress good fiction Political Ducks characters live the real hypocrisy and risks of the American political culture Their pathology of political ambition confirms even the most pessimistic impressions of democracy
