Perhaps no doctrine of Christian Science rouses so much natural doubt and questioning as this that God knows no such thing as sin
Indeed this may be set down as one of the things hard to be understood such as the apostle Peter declared were taught by his fellow apostle Paul which they that are unlearned and unstable wrest unto their own destruction
2 Peter iii 16
Let us then reason together on this important subject whose statement in Christian Science may justly be characterized as wonderful
Does God know or behold sin sickness and death
The nature and character of God is so little apprehended and demonstrated by mortals that I counsel my students to defer this infinite inquiry in their discussions of Christian Science
In fact they had better leave the subject untouched until they draw nearer to the divine character and are practically able to testify by their lives that as they come closer to the true understanding of God they lose all sense of error **Unity of good and unreality of evil** Mary Baker Eddy, 1887 **Unity of Good** Mary Baker Eddy, 2014-03-08
