

Speech On Fashion

Fashion can be referred to a different meaning to different people around the world and it came from Latin word Facere . It shows the creativity of craftsmanship to the law of technique. Fashion plays a part of style that takes place on a person's body or an appearance that varies from person to person, day to day, time to time which defines variety is the spice of life. Without fashion, we wouldn't be seeing hip hop and swag in today's life and we will be stucking into lifeless and boring lifestyles.

Fashion is a natural instinct in most of the people. Men and women are being very enthusiastic of adorning themselves to look more than attractive, to look different, to create an image or style of their own. They see themselves at a level ... In hot climates, clothing provides protection from sunburn or wind damage, while in cold climates the thermal insulation garments are generally more meaningful. Eyewear being used for better vision as well as for aesthetic purposes. Accessories like bags were initially used to keep coins during olden days, then to keep women's personal items and nowadays bags are really valued as fashion wears too. While watch has a lot of functions such as GPS, heart rate monitor and mobile but if it is not conquering the sensational touch of fashion, then we will still feel incomplete. Even professional athletes embrace fashion into their comfy sportswear to maintain their popularity.

Fashion is sense of great feelings of life for millions of people around the world. Sometimes fashion can cause a lot of stress and place loads of expectations on people to dress on a certain way. Without fashion however we would all probably be wearing clothes made by cured animal skin loin or burlap sacks or tree barks, as there would be little to no corporate interest into researching better materials when those serve their function.

Fashion is being an enjoyable and admirable aspect among people which is also personifies their freedom therefore allow them to be confident, relax and feel comfortable for who they are. Fashion promotes a culture that is based on appearance. The fashion industries too encourages the consumers to associate fashion consumption with pleasure, power personal
