The Disability Studies Reader Lennard J. Davis, 2016-10-19 The fifth edition of *The Disability Studies Reader* addresses the post identity theoretical landscape by emphasizing questions of interdependency and independence the human animal relationship and issues around the construction or materiality of gender the body and sexuality Selections explore the underlying biases of medical and scientific experiments and explode the binary of the sound and the diseased mind The collection addresses physical disabilities but as always investigates issues around pain mental disability and invisible disabilities as well Featuring a new generation of scholars who are dealing with the most current issues the fifth edition continues the Reader s tradition of remaining timely urgent and critical

The Transformation of Citizenship, Volume 1 Juergen Mackert, Bryan S. Turner, 2017-03-16 *The Transformation of Citizenship* addresses the basic question of how we can make sense of citizenship in the twenty first century These volumes make a strong plea for a reorientation of the sociology of citizenship and address serious threats of an ongoing erosion of citizenship rights Arguing from different scientific perspectives rather than offering new conceptions of citizenship as supposedly more adequate models of rights membership and belonging they deal with both the ways citizenship is transformed and the ways it operates in the face of fundamentally transformed conditions This volume Political Economy discusses manifold consequences of a decades long enforcement of neo liberalism for the rights of citizens As neo liberalism not only means a new form of economic system it has to be conceived of as an entirely new form of global regional and national governance that radically transforms economic political and social relations in society Its consequences for citizenship as a social institution are no less than dramatic Against the background of both manifest and ideological processes the book looks at if citizenship has lost the basis it has rested upon for decades or if the institution itself is in a process of being fundamentally transformed and restructured thereby changing its meaning and the significance of citizens rights This book will appeal to academics working in the field of political theory political sociology and European studies
