Youth Ministry and Evangelism Shirley F. Clement, Thomas L. Salsgiver, 1991

Discipleship R L Coursey, 2018-03-05 As Satan tempted Christ so he tempts us today Pointing to the glory of the kingdoms of the world he says All these things I will give thee if thou wilt fall down and worship me Although always with an air of piety the consumer driven church is lured into following the counsel of Satan while rejecting the example of Christ He who is a deity emptied

himself of his privileges and became a man And not just any man but the lowest of men a servant He died not just any death but the cruelest of deaths on a cross as a condemned criminal Such a vision of Christ s humiliation should consume all of our self interest and pour contempt on all our pride But the vision of the exalted Christ should all the more compel us to renounce our own self importance and self seeking The enslaving power of self love does not only attach itself to the church transforming its spiritual life into empty forms turning its so called good works into monuments of self glory and changing its sacred mission into a search for the significance and fulfillment of self It also enslaves the individual Christian by exalting the self to preeminence Thus it defeats real happiness by producing pride discontent envy bitterness unforgiveness ambition anxiety and a whole host of other destructive qualities that exist for no other reason than to defend and maintain the self that we have erroneously and to our own injury exalted to preeminence Self love will never be made subordinate until we get a glimpse by divine grace of something far lovelier Other idols may be replaced by even more enticing ones but the idol of the self can only be laid aside by the all entrancing vision of the loveliness of Christ

Nigeria - Politics, Religion, Pentecostal-Charismatic Power and Challenges Akintayo Emmanuel, 2023-10-13 Nigeria presents an enthralling case study for understanding developing archetypes in interreligious encounters in Africa The global community needs a cultural understanding and sensitivity for productive engagement with the Arab and non Arab Muslim world The Nigeria religious exigencies provide a requisite intelligence into the challenges facing a global community seeking to foster peace Without a domain of tolerance love equity and justice Nigeria will continually be immured by pessimism parochialism cynicism and mutual suspicion Despite being the largest economy in Africa and the most populous Black country Nigeria demonstrates incessantly an uncommon fault line between Christianity and Islam The significance of this goes beyond the borders of Nigeria but has become a global showcase anywhere the two religions exist contemporaneously Nigeria is the nexus between west and central Africa Rooted in the dusty Sahel of the north the savannah plains the rich rainforests of the Atlantic coast the rocky hills of the West and the oil filled swamps of the Delta Nigeria is the beauty sound vision passion and the soul of the African continent In Nigeria the Nigeria Pentecostal Charismatic Movement possesses a distinctive flair that demands a holistic understanding of the movement s historical cultural fundamental and religious dimensions in a multifarious religious landscape The disquisition of the movement s political cognizance identity power authority theology popular culture ethics and missiological impact in northern Nigeria presents a fine embroidery of their trials frustrations and challenges but inveterate in faith hope and love that opens up innovative panoramas of peaceful dialogical prospects and coexistence between Christians and Muslims in northern Nigeria In Nigeria Politics Religion Pentecostal Charismatic Power and Challenges Akintayo Emmanuel reconnoiters the complex missiological hindrances challenging the Nigerian Pentecostal Charismatic Movement Their contextual missional landslide disheveled with complicated paradoxes in the way the Christian majority have responded to Muslims in northern Nigeria is anatomized The Nigerian Pentecostal Charismatic Movement s

puissance to solve some of Nigeria political ideological cultural and spiritual dimensions of crisis and sectarian violence is achievable if the movement can mitigate her missiological hindrances The responses of Nigerian Pentecostal Charismatic Movement to Nigeria's socio political and ethno religious complexities can construct a great future for the soul of Nigeria They do not only have the capacity to provide the Christian alternatives to Nigeria's peculiarities they can also stimulate Nigeria's deification among other nations by continuing to disentangle from unscrupulousness and atrociousness embedded within a reproach and opprobrium to any people **We Called Him Whirlwind** Bertha Zulu Mvula, Hermann

Yokoniah-Mvula, 2024-09-06 This informative biography of a German missionary pastor Richard Ferdinand Zanner is told by Hermann and Bertha Mvula whose parents served with Dr Zanner in Africa from 1980 to his retirement in 2000 The authors begin with the genesis of the Church of the Nazarene from the matrix of the 19th century Holiness Movement in the USA its doctrines and practices and its growth into 44 countries on the African continent They discuss Zanner's call to Africa and his family's involvement in church planting growth and development of the church in Africa This is not merely a personal story There is discussion of the Zanner's 20 years of ministry in Africa and the church growth lessons that can be learned in pursuit of sustainable church growth and development for the Church of the Nazarene in Africa This is worthwhile reading for all those that are interested in the growth of the Church in the global South and what makes for meaningful global partnership for the expansion of God's kingdom

Growing True Disciples George Barna, 2013-03-06 Christ's command to the church is clear Go therefore and make disciples of all nations It is in building disciples helping others to embrace Jesus Christ as Savior and Lord mature in him and then lead others to do the same that the Kingdom grows And when the Kingdom grows churches do too In *Growing True Disciples* respected author and researcher George Barna helps pastors and leaders assess how their churches are doing in fulfilling their role as disciplemakers And he reveals models and examples that will equip churches to dramatically increase their effectiveness As a result your church can begin to see more involved members who want to live out their faith in submission to God and joyfully share their resources to fulfill Christ's commission The Standard, 1904

Pak,2024-10-17 How do people know if they are deceiving themselves Self deception is something everyone practices to one degree or another and it is closely related to other deception deceiving other people and Satan s deception as the father of lies John 8 44 How dangerous is self deception It can cost people their eternal destiny if they are deceiving themselves about their salvation Self deception has been a topic of keen interest among philosophers theologians and psychologists and is also a significant theme in the Bible This book first introduces what the fields of philosophy theology and psychology say about self deception and then examines many Bible passages that address the topic of self deception to gain a biblical understanding of what it is and how to prevent it **Arts Ministry** Michael J. Bauer,2013-08-22 First United Methodist Church in Augusta Georgia gives concerts to raise money for local service organizations Trinity Lutheran Church in Mission Kansas has been sponsoring a religious art show for more than twenty five years Fellowship Lutheran Church runs a Christian arts camp for young people every summer These are just three of the eighteen case studies of practicing arts ministries in this book in which Michael Bauer encourages the nurture and support of all the creative gifts of God s people Bauer lays a solid foundation for arts ministry grounding it in the historic Christian tradition and urging churches to expand their engagement with the creative arts to live and worship in full color as he puts it A concluding chapter clearly lays out how to develop an arts ministry helping readers to take these ideas from theory to practice to embrace and celebrate the continuing creative activity of God in the church Secularism and the Pursuit of Transcendence, Volume I Stanley E. Porter,Wendy J. Porter,2025-02-20 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent s pursuit of us **Fulfilling the Great Commission Through Godly Love** Amoakoh Gyasi-Agyei,2015-01-06 You shall be witnesses to Me in Jerusalem and in all Judea and Samaria and to the end of the earth Acts 1 8 nkjv You don t have to be a globe trotting evangelist to tell

others about Jesus We all have neighbors who need Him That s why Jesus told His disciples to make Jerusalem their own neighborhood the starting point for spreading His gospel A great way to do that is with visitation by just dropping by to visit or get to know your neighbors Dr Amoakoh Gyasi Agyei digs deep into this unique topic showing why visitation is an effective evangelism tool and a foolproof demonstration of God s love He shows you how to explore God s Word with your neighbors disciple new believers and motivate others to join you in the adventure of neighborhood evangelism His detailed guidebook offers practical instruction that makes it an excellent resource you will want to have with you when you re witnessing
