Up A Road Slowly Irene Hunt:

Up a Road Slowly Irene Hunt, 2005-01-04 The beloved author of *Across Five Aprils* and *No Promises in the Wind* presents one of her most cherished novels the Newbery Award winning story of a young girl's coming of age Julie would remember her happy days at Aunt Cordelia's forever Running through the spacious rooms singing on rainy nights in front of the fireplace There were the rides in the woods on Peter the Great and the races with Danny Trevort There were the precious moments alone in her room at night gazing at the sea of stars But there were sad times too the painful jealousy Julie felt after her sister married the tragic death of a schoolmate and the bitter disappointment of her first love Julie was having a hard time believing life was fair But Julie would have to be fair to herself before she could even think about new beginnings Hunt demonstrates that she is a writer of the first rank Those who follow Julie's growth from a tantrum throwing seven year old to a gracious young woman of seventeen will find this book has added a new dimension to their lives The New York Times Book Review [Up a Road Slowly \[by\] Irene Hunt](#) Estelle Kleinman, 1994 Suggests activities to be used in the classroom to accompany the reading of *Up a road slowly* by Irene Hunt [A Study Guide for Irene Hunt's "Across Five Aprils"](#) Gale, Cengage Learning, 2016 A Study Guide for Irene Hunt's *Across Five Aprils* excerpted from Gale's acclaimed *Literary Themes for Students War and Peace* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Literary Themes for Students War and Peace* for all of your research needs **The Joy of Children's Literature** Denise Johnson, 2023-12-18 This book provides in depth coverage of children's literature with integrated reading methods in a concise accessible format Johnson emphasizes that reading writing discussing and finding pleasure in children's books are essential tools in being able to recognize and recommend literature and being able to share the joy of children's literature with children themselves This fully updated third edition includes up to date research new book titles within each chapter a greater focus on diversity and inclusion and new sections on Activities for Professional Development and Print and Online Resources [The All-New Book of Lists for Kids](#) Sandra Choron, Harry Choron, 2002 This brand new edition is packed with more than 100 lists lively illustrations and a new section in which kids can create lists of their own **Adolescents in the Search for Meaning** Mary L. Warner, 2006-03-03 As is painfully evident from the reports of school shootings gang violence dysfunctional family life and from statistics on adolescent suicide many teens live troubled lives Even those who live a normal life still face the challenges adults face but teens are also engaged in establishing independence and finding their identity However few adolescents have the same resources as adults for surviving life challenges Building from the idea that story is a powerful source of meaning particularly those stories that resonate with our own lives this book suggests that the stories of other young adults offer a resource yet to be fully tapped *Adolescents in the Search for Meaning* begins from the perspective of young adults by sharing the results of a survey of over 1400 teens and also includes the insights of authors of Young Adult

Literature The book presents over 120 novels that teens have identified as meaningful as well as books recommended by YA authors and experts in the field of YA literature For any teacher librarian parent or counselor wanting to reach young adults this book is ideal **Transforming Early Learners into Superb Readers** Andrea M. Nelson-Royes, 2012-10-18

Transforming Early Learners into Superb Readers Promoting Literacy at School at Home and within the Community aids elementary educators reading specialists school administrators private and public educators parents and caregivers who want to help early learners become proficient readers The early years are the most important for children because they are the formative years so it is vital for children to build a solid reading foundation when they are most receptive Andrea Nelson Royes contends that if all these individual players collectively help to develop a child's reading readiness all children may thrive from a high quality education and a love of literacy Waking Sleeping Beauty Roberta S. Trites, 1997-06 The Sleeping Beauty in Roberta Seelinger Trites intriguing text is no silent snoozer passively waiting for Prince Charming to energize her life Instead she wakes up all by herself and sets out to redefine the meaning of happily ever after Trites investigates the many ways that Sleeping Beauty's newfound voice has joined other strong female voices in feminist children's novels to generate equal potentials for all children Waking Sleeping Beauty explores issues of voice in a wide range of children's novels including books by Virginia Hamilton Patricia MacLachlan and Cynthia Voigt as well as many multicultural and international books Far from being a limiting genre that praises females at the expense of males the feminist children's novel seeks to communicate an inclusive vision of politics gender age race and class By revising former stereotypes of children's literature and replacing them with more complete images of females in children's books Trites encourages those involved with children's literature teachers students writers publishers critics librarian booksellers and parents to be aware of the myriad possibilities of feminist expression Roberta Trites focuses on the positive aspects of feminism on the ways females interact through family and community relationships on the ways females have revised patriarchal images and on the ways female writers use fictional constructs to transmit their ideologies to readers She thus provides a framework that allows everyone who enters a classroom with a children's book in hand to recognize and communicate with an optimistic reality based sense of happily ever after the politics and the potential of that book What Else Should I Read? Matthew L. Berman, 1996-08-15 In answer to the perennial question What else should I read these innovative resources go beyond linear listings of suggestions to help students find books through a variety of directions including subject author and genre Each guide contains approximately 30 displayable bookwebs that can be used as posters with reproducible bookmarks that list related titles and fit into pockets on the posters Each web leads users to 8 to 14 related topics that have lists of relevant books with their authors and brief LC descriptions Detailed author title and subject indexes make further exploration easy Hundreds of the best fiction books for young readers titles commonly found in school library collections are covered in the webs The visual nonlinear features of these books make them unique and user friendly tools for educators and students alike

Perfect for the bulletin board the bookwebs are a great way to stimulate reading
