Morgan, 2012-11-16 Most churches have a poor to non-existent method of training new Christian converts Therefore the new convert has very little knowledge on how to make the transition from living the sinners life living a separated life that is filled with forgiveness and charity They aren't trained to forgive and forget the sins and trespasses that are rendered against them They know not that the Holy Spirit lives in their heart and will tell them exactly what to do in every step they take and how to respond to every encounter they have whether it be positive or negative They know not that God will take care of the regardless in the wake of slander financial hardships or physical devastation They hear sermons from the pulpit about tithing but have no concept how to start or how it will affect their life if they start tithing on a regular basis They are unprepared to deal with gossip and verbal bullying that they will encounter They are members of a church for years and have no concept of how to effectively pray in public or how to witness effectively to a lost person This book is not written for a specific denomination It is written as a guide to all new converts **Now that You are in Christ** Mason Harris, 1980 **New Beginner Book for New Convert Members** Jesse L. Blake, 2017-07-25 This

Book is for Leaders of the Five Fold Ministry and who are seeking for a new direction for helping to develop new converts in their churches Leaders who feel burnout and frustrated with their present situation this New Beginning for New Convert Book is for you This book teaches you how to develop a better relationship with the new Convert The new Convert does not know what have taken place in their experience How do we as leaders develop them in the basic salvation message There is something I have experienced personally over the years with new Converts in my church They feel left out and like an outcast in the church This New Beginning Book for New Convert Members gives the members a personal one on one experience with the Leaders and members of the local church All newborn baby Christians need to be nurtured in the basic salvation message They do not know what really took place at their conversion This book will help Leaders establish these new Convert members on a solid foundation This New Beginning Book for New Convert Members has been written to cover the foundation for Christian living The emphasis is placed on the necessary ingredients for salvation which are confession repentance forgiveness justification and sanctification Jesus saith unto him I am the way the truth and the life no man cometh unto the Father but by me John 14 6 We must as Leaders stay focus on Jesus Christ as Lord Savior and King The Bible declares that Jesus came to save us from our sins and Jesus took our sins and nailed it to His Cross If Jesus overcame sins then why are Christians still dealing with sin There is no other name that man can be saved or delivered through but the Name of Jesus Christ This New Beginning Book for New Converts will open your eyes to the truth in God s Word The Body of Christ needs to be equipped to overcome the work of darkness This Book will help the Five Fold Ministers to do a better job The Bible states And are built upon the foundation of the Apostles and Prophets Jesus Christ being the Chief Cornerstone Ephesians 2 20 As a Christian it is essential that every member of this local body know their responsibility and be diligent to the cause Apostle Paul states in Ephesians 4 15 16 But speaking the truth in love may grow up into him in all things which is the head even Christ From whom the whole Body fitly joined together and compact by that which every joint supplied according to the effectual working in the measure of every part maketh increase of the Body unto the edifying of itself in love This New Beginning Book for New Converts is designed to help the Five Fold Ministry and others establish and maintain a loving relationship with each other in a Christian environment Apostle Paul s key concept is to grow up *What Do I Believe Now that I Am Saved* David N. Smeltz, 2015-12-17 The need for young converts to know what they believe is important and the pastor and or teacher should start early in the converts life Over the years I witnessed believers coming and joining the church and they knew very little about what we believed Old habits follow us in life and if instructed early we will carry our knowledge through life As a Baptist preacher I believe we should teach Baptist or Bible doctrine I am Baptist by conviction because I believe the church doctrine and Bible doctrine should be the same This book has twelve chapters with twelve lessons I would suggest you take twelve weeks to teach this book One lesson a week with dialogue in the classroom Discussion is so important and people grow in knowledge when they can ask questions Today we have so many churches with

so many doctrines I have written books on the Mormons Catholics Jehovah Witness Seven Day Adventist and most of the cults including Islam I am sure if you are a student of the Word of God you will add to this If this is your first book on understanding the doctrine of the church I hope it will give you a desire to learn more 2 Timothy 3 16 KJV 16 All scripture is given by inspiration of God and is profitable for doctrine for reproof for correction for instruction in righteousness 2 Timothy 2 15 KJV 15 Study to shew thyself approved unto God a workman that needeth not to be ashamed rightly dividing the word of truth
