Users Guider Arnova Android Tablet:

Android Tablet Guide: For Seniors Jacob Gleam, 2015-05-07 The Android platform is a mobile operating system that is somewhat based around the Linux environment that was developed by Google. The interface of the system is totally based on direct manipulation which is made to be primarily used in touchscreen devices. Tablets are one of these devices that are specialized for the Android operating system that completely integrates the real life actions of individuals. These actions include swiping, tapping, pinching to move around and select objects on the screen. The statistics on these devices prove how popular they are with over 1 billion active Android users which illustrate how great the platform is. The setup of the Android system has been opened by Google to allow developers to be able to create their own additions to the operating system. It is quite popular with developers as it represents a ready made and low cost environment that works perfectly for high tech devices.

Tablets for Seniors Russ Ware, 2014 **Essential Android Tablets** Kevin Wilson, 2018-11-12 The twenty first century offers more technology than we have ever seen before but with new updates and apps coming out every month most users don't have time to keep up or figure everything out on their own and it can be quite overwhelming. With full color screen prints, photographs and illustrations this guide explores Setting up your tablet, setting up and transferring your data, Getting to know Android, the app dock, drawer icons and menus, Arranging icons, the on screen keyboard and Google assistant, Navigating with touch gestures, tap, drag and swipe, Communicating with Hangouts and Gmail, Browsing the web with the Chrome web browser, Taking portrait and panoramic photos as well as recording video, Editing and enhancing your photos, Listening to music from the play store, Downloading TV Programmes and Movies, Downloading and installing apps from the play store, Google Maps, Drive, Docs, Sheets, Calendar and Contacts, Setting up cloud enabled printers and printing documents. With comprehensive instruction for many commonly used tablets this step by step guide allows readers to digest information quickly and easily without feeling confused, wasting time and getting discouraged.
