Knife's Edge Robert C. Stern,2023-02-15 While the resounding American victory at Midway in June 1942 blunted Japanese momentum to a great extent it left the opposing forces precariously balanced particularly in the South Pacific In Knife s Edge Robert C Stern provides an account of the Battles of the Eastern Solomons and the Santa Cruz Islands the two pivotal carrier air battles that followed the initial engagements at the Coral Sea and Midway between the U S Navy and the Imperial Japanese Navy Three U S aircraft carriers were sunk or badly damaged over the two months following Midway including USS Enterprise at the Battle of the Eastern Solomons Had it not been for the fortuitous arrival of USS Hornet at the end of August the Americans would have been without an aircraft carrier in the South Pacific until Enterprise returned from repairs on 24 October At that moment another major Japanese offensive was afoot again led by two large carriers this time supported by another light carrier and a mid sized merchant hull conversion The resulting Battle of the Santa Cruz Islands on 26 October 1942 was a solid tactical victory for the Japanese who managed to sink Hornet and once again damage Enterprise Stern has written a history of the two final early carrier battles fought between the U S Navy and Imperial Japan These pivotal battles coming after the triumph of the U S at Midway illustrate lessons learned from these earlier battles of the Pacific War Readers already familiar with the history of World War II at sea should find this account a riveting new look at a chapter of the Pacific War rarely covered until now *Battle Report[s].: The Atlantic war* Walter Karig,1946 **Brave Ship, Brave Men** Arnold S. Lott,2013-03-11 Nimitz called this book about the USS Aaron Ward on the radar picket line in the Pacific the finest story of the war that I have been privileged to read Rural Electrification News United States. Rural Electrification Administration,1941 **Rural Electrification News** , **APc-48 Journeys** Ben Young,2017-11-07 Imagine your nation has suddenly been thrown into an unwanted war and you are told that as a reservist you will join the brigade of your fellow citizen soldiers sailors who are already in place aboard giant steel behemoths bristling with enormous guns sailing in company with many other armed warships Others are in speedy but thin skinned aircraft with little chance of returning alive from each harrowing mission Still others climb inside armored tracked monsters which clank inexorably toward a final clash with those who brought war and destruction to your friends and family But docked among the enormous steel warships all stretching nearly a thousand feet long and taller than many of the buildings in your hometown is a wooden ship barely a hundred feet long and covered with a material that not only wouldn t stop a 22 caliber bullet from the rifle with which you ve hunted squirrels it will even ignite when flame is applied This is your home until peace is declared **Battle**
