Ussr Diary Of A Perestroika Kid:

USSR Vladimir Kozlov, 2014 Fiction It s hard to be sentimental about a Cold War Childhood if you grew up on the Soviet side in the forgotten Belorussian Republic in a crumbling industrial city like Mogilev But it s even harder when your friends kick your ass and piss on your beloved collection of model cars With USSR a big title for an intimate story Vladimir Kozlov offers an unforgettable perspective on the 1980s when all that matters in a boy s life are rock and roll fistfights and clumsy attempts at masturbation With Gorbachev and Reagan lurking in the background and the Soviet economy on the verge of collapse Kozlov presents life on the streets of Mogilev through the raw emotions and diabolical slang of kids who cannot fathom a world outside their own Like a fucked up Soviet spin on *The Wonder Years* USSR reminds us that to be young is to be ruled by embarrassment and terror But it wouldn t bother you to grow up on the crumbling edge of the Soviet Union if only your friends would stop kicking your ass *The Children of Perestroika* Deborah Adelman, 2015-04-08 This work

Dilemmas of Russian Capitalism Thomas C. Owen,2005-02-28 Fedor Chizhov built the first railroad owned entirely by Russian stockholders created Moscow s first bank and mutual credit society and launched the first profitable steamship line based in Archangel In this valuable book Thomas Owen vividly illuminates the life and world of this seminal figure in early Russian capitalism Chizhov condemned European capitalism as detrimental to the ideal of community and the well being of workers and peasants In his strategy of economic nationalism Chizhov sought to motivate merchants to undertake new forms of corporate enterprise without undermining ethnic Russian culture He faced numerous obstacles from the lack of domestic investment capital to the shortage of enlightened entrepreneurial talent But he reserved his harshest criticism for the tsarist ministers whose incompetence and prejudice against private entrepreneurship proved his greatest hindrance Richly documented from Chizhov s detailed diary this work offers an insightful exploration of the institutional impediments to capitalism and the rule of law that plagued the tsarist empire and continue to bedevil post Soviet Russia

Zhivago's Children Vladislav Martinovich Zubok,Vladislav Zubok,2011-11-30 This is an in depth history of the cultural and intellectual evolution of the intelligentsia in Russia from Stalin s death in 1953

to the collapse of the Soviet Union in 1991 *Georgia Diary: A Chronicle of War and Political Chaos in the Post-Soviet Caucasus* Thomas Goltz, 2015-03-04 First Published in 2015 The author of the acclaimed Azerbaijan Diary and Chechnya Diary now recounts his experiences in the strife ridden Republic of Georgia Soon after the collapse of the Soviet Union the Republic of Georgia fell prey to a series of power struggles rampant crime and corruption secessionist wars and the spillover of the war in neighboring Chechnya Journalist Goltz traces these developments with the same kind of vivid personal narrative that made his previous books so compelling This fast paced first person account is filled with fascinating details about the ongoing struggles of this little known region of the former Soviet Union Featuring memorable portraits of individuals in high places and low it traces the story from 1992 through the Rose Revolution the resignation of Eduard Shevardnadze and the new presidency of U S educated Mikhail Saakashvili **Marielo: A Foreign Service Life in Diary and Letters** M. Wesley “Wes” Shoemaker, 2023-08-16 About the Book In assembling and organizing his wife Mary s letters and diary M Wesley Wes Shoemaker s constant goal has been to allow the documents to speak through her voice without intruding himself unnecessarily into the narrative Yet it cannot be denied that he is the Wes who appears throughout and that in addition to the main theme of Mary s life and Foreign Service Career it is also a story of a marriage lasting over fifty one years in spite of the fact that fifteen of those years their separate career patterns kept them separated for eight months each year Containing a total of 191 letters 116 of which are to Wes Marielo A Foreign Service Life in Diary and Letters chronicles Mary s incredible life as a Foreign Service Officer through the slowly dying medium of letter writing which provided a lifeline that held their marriage together over the years and further explains how their long distance relationship survived over the years of separation About the Author M Wesley Wes Shoemaker was a Foreign Service Officer and has been posted at locations all over the world He later resigned from this role to enter a doctoral program in Russian history at Syracuse University and went on to teach at Lynchburg College *The Return of the Russian Leviathan* Sergei Medvedev, 2019-12-18 Winner of the 2020 Pushkin House Book Prize Russia s relationship with its neighbours and with the West has worsened dramatically in recent years Under Vladimir Putin s leadership the country has annexed Crimea begun a war in Eastern Ukraine used chemical weapons on the streets of the UK and created an army of Internet trolls to meddle in the US presidential elections How should we understand this apparent relapse into aggressive imperialism and militarism In this book Sergei Medvedev argues that this new wave of Russian nationalism is the result of mentalities that have long been embedded within the Russian psyche Whereas in the West the turbulent social changes of the 1960s and a rising awareness of the legacy of colonialism have modernized attitudes Russia has been stymied by an enduring sense of superiority over its neighbours alongside a painful nostalgia for empire It is this infantilized and irrational worldview that Putin and others have exploited as seen most clearly in Russia s recent foreign policy decisions including the annexation of Crimea This sharp and insightful book full of irony and humour shows how the archaic forces of imperial revanchism have been brought back to life

shaking Russian society and threatening the outside world It will be of great interest to anyone trying to understand the forces shaping Russian politics and society today Also available as an audiobook

Moses,2018-07-17 An insider s account of Romania s emergence from communism control In the 1970s American attorney Alfred H Moses was approached on the streets of Bucharest by young Jews seeking help to emigrate to Israel This became the author s mission until the communist regime fell in 1989 Before that Moses had met periodically with Romania s communist dictator Nicolae Ceausescu to persuade him to allow increased Jewish emigration This experience deepened Moses s interest in Romania an interest that culminated in his serving as U S ambassador to the country from 1994 to 1997 during the Clinton administration The ambassador s time of service in Romania came just a few years after the fall of the Berlin Wall and the subsequent collapse of communism in Eastern Europe During this period Romania faced economic paralysis and was still buried in the rubble of communism Over the next three years Moses helped nurture Romania s nascent democratic institutions promoted privatization of Romania s economy and shepherded Romania on the path toward full integration with Western institutions Through frequent press conferences speeches and writings in the Romanian and

Western press and in his meetings with Romanian officials at the highest level he stated in plain language the steps Romania needed to take before it could be accepted in the West as a free and democratic country Bucharest Diary An American Ambassador s Journey is filled with firsthand stories including colorful anecdotes of the diplomacy both public and private that helped Romania recover from four decades of communist rule and eventually become a member of both NATO and the European Union Romania still struggles today with the consequences of its history but it has reached many of its post communist goals which Ambassador Moses championed at a crucial time This book will be of special interest to readers of history and public affairs in particular those interested in Jewish life under communist rule in Eastern Europe and how the United States and its Western partners helped rebuild an important country devastated by communism
