Why Privacy Matters Neil Richards, 2021-11-05 This is a book about what privacy is and why it matters. Governments and companies keep telling us that Privacy is Dead but they are wrong. Privacy is about more than just whether our information is collected. It's about human and social power in our digital society. And in that society that's pretty much everything we do from GPS mapping to texting to voting to treating disease. We need to realize that privacy is up for grabs and we need to craft rules to protect our hard-won but fragile human values like identity, freedom, consumer protection, and trust. Author Neil Richards shows what privacy is, why privacy matters, and how we can build a better digital future together.

Cooperation and Collaboration Initiatives for Libraries and Related Institutions Chisita, Colleen Takaingenhamo, 2019-09-20 At a time when budgets are dwindling, libraries must overcome insularity through collaborative initiatives that allow them to support each other through resource sharing and networking. These collaborative networks can expand beyond libraries to include cooperative efforts with archives and museums in order to surpass challenges in the digital era. *Cooperation and Collaboration Initiatives for Libraries and Related Institutions* is a critical research publication that explores digital advancements in library collaborative technologies and the steps needed to implement them in order to achieve institutional goals. Featuring topics such as e-records, policymaking, and open educational resources, this book is essential for librarians, archival staff, museum staff, knowledge managers, policymakers, educators, and researchers.
