Recalibrating teacher training in African higher education institutions Sifiso

Sibanda,Gideon (Deon) P. van Tonder,Washington T. Dudu,2023-03-01 This book critically examines the role of governments in promoting parity during and in post pandemic education This comes from the realisation that the pandemic has deepened the crisis by depleting the meagre resources that African countries might have devoted to normative educational practices where those on the margins would have been pushed further behind while the privileged would have been further initiated into the cultural and capital flows of private schools and historically research intensive institutions of higher learning This has far reaching implications for the education of underprivileged citizens and education particularly modes and modalities of delivery has to be reimagined to subvert the challenges wrought by the pandemic This book significantly bridges the gap between the pre and post COVID 19 pandemic pedagogical practices and the erstwhile modalities that have been resilient over time The book focuses on ways to stave off pedagogical challenges that face countries as the global pandemic makes its mark

Proud Boys and the White Ethnostate Alexandra Minna Stern,2019-07-16

What is the alt right What do they believe and how did they take center stage in the American social and political consciousness Historian Alexandra Minna Stern excavates the alt right memes that have erupted online and digs to the root of the far right s motivations their deep seated fear of an oncoming white genocide that can only be remedied through aggressive action to reclaim white power The alt right has expanded significantly throughout America s cultural political and digital landscapes racist sexist and homophobic beliefs that were previously unspeakable have become commonplace normalized and accepted endangering American democracy and society as a whole When asked to address the Proud Boys and growing far right violence President Trump directed the group to stand back and stand by and just two weeks before President Joe Biden s inauguration a white supremacist mob breached the US Capitol earning praise from the Proud Boys leader amongst threats of future violence In order to dismantle the destructive movement that has invaded our public consciousness and threatens American democracy we must first understand the core beliefs that drive the alt right Through careful analysis Stern brings awareness to the underlying concepts that guide the alt right and its overlapping forms of racism xenophobia and transphobia She explains the key ideas of red pilling strategic trolling gender essentialism and the alt right s ultimate fantasy a future where minorities have been cleansed from the body politic and a white ethnostate is established in the United States By unearthing the hidden mechanisms that power white nationalism Stern reveals just how pervasive the far right truly is

Developmentalism,

Dependency, and the State: Industrial Development and Economic Change in Namibia since 1900 Christopher

Hope,2020-09-23 Why does Namibia s economy look the way it does today Was the reliance on raw materials for exports and on the service sector for employment an inevitability And for what reasons has the manufacturing sector the vehicle for economic development for many now high income countries throughout the 19th and 20th centuries seen its growth held back With these questions in mind this book offers an extensive analysis of industrial development and economic change in Namibia since 1900 exploring their causes trajectory vicissitudes context and politics Its focus is particularly on the motivations behind the economic decisions of the state arguing that power relations both internationally and domestically have held firm a status quo that has resisted efforts towards profound economic change This work is the first in depth economic study covering both the colonial and independence eras of Namibia s history and provides the first history of the country s manufacturing sector *General Catalogue of Printed Books to 1955* British Museum.
