The Literature of Waste S. Morrison, 2015-06-03 Tracing material and metaphoric waste through the Western canon ranging from Beowulf to Samuel Beckett Susan Signe Morrison disrupts traditional perceptions of waste to better understand how we theorize manage and are implicated in what is discarded and seen as garbage Engaging a wide range of disciplines Morrison addresses how the materiality of waste has been sedimented into a variety of toxic metaphors If scholars can read waste as possessing dynamic agency how might that change the ethics of refuse ing and ostracizing wasted humans A major contribution to the growing field of Waste Studies this comparative and

theoretically innovative book confronts the reader with the ethical urgency present in waste literature itself **From Suffragette to Homesteader** Emily van der Meulen, 2018-10-10T00:00:00Z *From Suffragette to Homesteader* opens a unique window into the past Central to this book is a powerful memoir written in 1952 by Ethel Marie Sentance as an anniversary present for her husband Clarence The memoir begins in 1883 and details Ethel's early life in a small English village Frustrated with women's social and political inequality Ethel became a suffragette in her early twenties She participated in meetings and rallies sold suffrage newspapers and was eventually jailed for breaking a window at a protest In 1912 her life changed considerably when she married and relocated to the Saskatchewan prairies to become a homesteader and settler Surrounding Ethel's memoir are chapters by leading historians and life writing scholars that provide further analysis and context exploring topics within and beyond those written about by Ethel Together the chapters in this book tell a compelling story of early and mid twentieth century social justice advocacy women's and feminist histories struggles for gender equality and the farmworker and homesteader experience At the same time the book is also a story of imperialism and the British Empire race and class and settler colonialism [How Film Histories Were Made](#) Malte Hagener, Yvonne Zimmermann, 2025-10-01 This book is specifically dedicated to film history's own history It provides insights into the fabrication of film histories and the discourses on their materials and methods in the past in order to better understand and reconsider film history today The interventions unpack unspoken assumptions and hidden agendas that determine film historiography until today also with the aim to act as a critical reflection on the potential future orientation of the field The edited volume proposes a transnational entangled and culturally diverse approach towards an archaeology of film history while paying specific attention to persons objects infrastructures regions institutional fields and events hitherto overlooked It explores past and ongoing processes of doing undoing and redoing film history Thereby in a self reflective gesture it also draws attention to our own work as film historians **Queer Anxieties of Young Adult Literature and Culture** Derriitt Mason, 2020-12-28 Selected as the Children's Literature Association's 2023 Honor Book Young adult literature featuring LGBTQ characters is booming In the 1980s and 1990s only a handful of such titles were published every year Recently these numbers have soared to over one hundred annual releases Queer characters are also appearing more frequently in film on television and in video games This explosion of queer representation however has prompted new forms of longstanding cultural anxieties about adolescent sexuality What makes for a good coming out story Will increased queer representation in young people's media teach adolescents the right lessons and help queer teens live better happier lives What if these stories harm young people instead of helping them In *Queer Anxieties of Young Adult Literature and Culture* Derriitt Mason considers these questions through a range of popular media including an assortment of young adult books *Caper in the Castro* the first ever queer video game online fan communities and popular television series *Glee* and *Big Mouth* Mason argues themes that generate the most anxiety about adolescent culture queer visibility risk taking HIV AIDS dystopia and

horror and the promise that It Gets Better and the threat that it might not challenge us to rethink how we read and engage with young people's media Instead of imagining queer young adult literature as a subgenre defined by its visibly queer characters Mason proposes that we see queer YA as a body of transmedia texts with blurry boundaries one that coheres around affect specifically anxiety instead of content

Performance Studies in Canada Laura Levin, Marlis

Schweitzer, 2017-06-01 Since its inception as an institutionalized discipline in the United States during the 1980s performance studies has focused on the interdisciplinary analysis of a broad spectrum of cultural behaviours including theatre dance folklore popular entertainments performance art protests cultural rituals and the performance of self in everyday life Performance Studies in Canada brings together a diverse group of scholars to explore the national emergence of performance studies as a field in Canada To date no systematic attempts have been made to consider how this methodology is being taught applied and rethought in Canadian contexts and Canadian performance studies scholarship remains largely unacknowledged within international discussions about the discipline This collection fills this gap by identifying multiple origins of performance studies scholarship in the country and highlighting significant works of performance theory and history that are rooted in Canadian culture Essays illustrate how specific institutional conditions and cultural investments Indigenous francophone multicultural and more produce alternative articulations of performance and reveal national identity as a performative construct A state of the art work on the state of the field Performance Studies in Canada foregrounds national and global performance knowledge to invigorate the discipline around the world

Practising Immanence David

A. G. Clarke, 2023-11-28 Practising Immanence Living with Theory and Environmental Education makes creative contributions to both qualitative inquiry and environmental education by exploring how each of these ideas seep and fuse into one another creating a space where methodology becomes pedagogy and where each of these is already always environmental indivisible with life Clarke's energising and innovative approach offers a challenge to conventional research practices and shows ways in which inquiry can be done differently Drawing on new materialisms affect theory and the practical philosophy of Gilles Deleuze and Felix Guattari the book details the PhD journey of the author merging stories and theory and stories of theory in the production of eight haecceities a philosophical concept which prioritises the thisness of a thing or event This move allows a novel methodological approach whereby the haecceities act as sites of variation on the events of the book the self as unstable and posthuman the environment as everything immanent rather than as an overly romantic or a green version of nature and the tensions that these moves create for ethical orientations in education inquiry and life in the Anthropocene Practising Immanence brings theory to life through a diffractively critical style and a unique approach to environmental pedagogic practice This radical and vitalising book will be of interest to those inspired to explore environmental problems and inquiry with each other and to those drawn to creative relational narrative embodied and post qualitative approaches to research

Wonder Woman Regina Luttrell, 2020-02-20 Wonder Woman was created in the early 1940s as a paragon of female empowerment and beauty and her near eighty year history has included seismic socio cultural changes In this book Joan Ormrod analyses key moments in the superheroine's career and views them through the prism of the female body This book explores how Wonder Woman's body has changed over the years as her mission has shifted from being an ambassador for peace and love to the greatest warrior in the DC

transmedia universe as she's reflected increasing technological sophistication globalisation and women's changing roles and ambitions Wonder Woman's physical form Ormrod argues is both an articulation of female potential and attempts to constrain it Her body has always been an amalgamation of the feminine ideal in popular culture and wider socio cultural debate from Betty Grable to the 1960s mod girl to the Iron Maiden of the 1980s Land/Relations Smaro Kamboureli, Larissa Lai, 2023-04-18 Essential reading for those interested in questions of justice and cultural representation Land Relations speaks to and moves beyond the critical junctures in the study of Canadian literatures today In the aftermath of the Truth and Reconciliation Commission and following Canada's sesquicentennial Land Relations presents a collaborative effort at what Smaro Kamboureli and Larissa Lai call counter memory a collective effort to recognise relationships that have always been between peoples between humanity and other living forms between us and the land in an effort to avoid erasure loss and trauma Twenty influential literary critics engage a variety of genres essay life writing testament polemic poetry to explore the ways Canadian cultural production has been shaped by social and historical relations and can be given new and various forms to decolonize the institutions associated with the creation of this country's vision of Canadian literature

Democratic Anarchy Matthew Scully, 2024-07-02 A dramatic and necessary rethinking of the meaning of Democracy Democratic Anarchy grapples with an uncomfortable but obvious truth inimical to democracy both aesthetics and politics depend on the structuring antagonism of inclusion and exclusion Yet in Democratic Anarchy Matthew Scully asks how can the people be represented in a way that acknowledges what remains unrepresentable What would it mean to face up to the constitutive exclusions that haunt U S democracy and its anxious fantasies of equality Synthesizing a broad range of theoretical traditions and interlocutors including Lacan Rancière Edelman and Hartman Democratic Anarchy polemically declares that there has never been nor can there ever be a realized democracy in the U S because democracy always depends on the hierarchical institution of a formal order by one part of the population over another Engaging with an expansive corpus of American literature and art Harriet Jacobs Nathaniel Hawthorne Louis Zukofsky Thomas Pynchon Toni Morrison Theresa Hak Kyung Cha Nari Ward Ocean Vuong and Safiya Sinclair Democratic Anarchy argues that many liberal concepts and institutions are in fact structurally opposed to democratic equality because they depend on regulating what can appear and in what form By focusing on works that disrupt this regulatory impulse Scully shows how rhetorical strategies of interruption excess and disorder figure the anarchic equality that inegalitarian fantasies of democracy disavow Democratic Anarchy develops a rigorous theory of equality that refuses to repeat the inequalities against which it positions itself and it does so by turning to moments of resistance both aesthetic and political inaugurated by the equality that inheres in and antagonizes the order of things Hot Equations Jesse S. Cohn, 2024-04-23 Inspired by the new diversity of science fiction fantasy and horror in the twenty first century Hot Equations Science Fantasy and the Radical Imagination on a Troubled Planet confronts the kinds of literary and political realism that continue to suppress the radical imagination Alluding both to

the ongoing climate catastrophe and to Tom Godwin's *The Cold Equations* that famous touchstone of hard science fiction. *Hot Equations* reads the crises of our post-normal moment via works that increasingly subvert genre containment and spill out into the public sphere. Drawing on archives and contemporary theory, author Jesse S. Cohn argues that these imaginative works of science fiction, fantasy, and horror strike at the very foundations of modernity, calling its basic assumptions into question. They threaten the modern order with a simultaneously terrible and promising anarchy, pointing to ways beyond the present medical, ecological, and political crises of pandemic, climate change, and rising global fascism. Examining books ranging from well-known titles like *The Hunger Games* and *The Caves of Steel* to newer works such as *Under the Pendulum Sun* and *The Stone Sky*, Cohn investigates the ways in which science fiction, fantasy, and horror address contemporary politics, social issues, and more. *The Cold Equations* that established normal life in the modern world may be in shambles, Cohn suggests, but a New Black Fantastic makes it possible for the radical imagination to glimpse viable possibilities on the other side of crisis.
