University Of Venda Self Check:

Development Practice in Eastern and Southern Africa Tshilidzi Madzivhandila, Sepo Hachigonta, Joseph Francis, Joseph Kamuzhanje, Oluwatoyin Dare Kolawole, Shirley DeWolf, 2022-03-29 This book is a rare collection of reflective and reflexive stories that reveal how seasoned academics agents of grassroots social change leaders and journalists transformed and shaped the development landscape in eastern and southern Africa Whereas practical experiences are crucial assets and resources for shaping the academic environment and development practice landscape most of the existing literature recommended as key learning materials in tertiary institutions is rarely in synch with the practical realities of development practice The shared individual lived experiences from academic endeavours and fieldwork provide hands on tools for students and emerging practitioners who might be involved in or are currently facilitating development work The thrust of the book therefore is to demystify the day to day experiences of development practitioners while contributing to learning pathways or strategies for achieving viable solutions to the myriad of challenges which grassroots communities face The relevance of the book as a crucial resource for students pursuing development oriented degree programmes in colleges and universities is obvious Without any doubt the compilation will be handy in the implementation of diverse development oriented transformation agenda at academic programming and policy levels [Reimagining Effective Stakeholder](#)

[Governance Practices in Higher Education](#) Felix Omal, 2023-06-22 This book examines the role of the university governing council and the changing nature of university governance using a case study from a South African university The book considers the key challenging features of South African higher education in relation to current competing international trends in higher education governance It shows how major decision makers within the university operate within competing governance knowledge domains to exercise good practice within turbulent institutional contexts These diverse institutional cultures are examined in terms of their contribution to various governance practices presenting an emerging model of university governance known as the structural systemic cultural model Throwing light on the nature of challenges associated with the governance of universities in the post apartheid era this book will be of interest to academics researchers and postgraduate students in the fields of higher education comparative education and education governance Also it will appeal to university councils and management across Africa **Recent Advances in Environmental Science from the**

Euro-Mediterranean and Surrounding Regions (4th Edition) Mohamed Ksibi, Arturo Sousa, Olfa Hentati, Haroun Chenchouni, José Lopes Velho, Abdelazim Negm, Jesús Rodrigo-Comino, Riheb Hadji, Sudip Chakraborty, Achraf Ghorbal, 2024-07-17 This edited book includes more than four hundred short papers that were presented during the fourth edition of EMCEI which was held in Sousse Tunisia in November 2022 By presenting a wide range of environmental topics and new findings relevant to a variety of problems in the Mediterranean region and its surroundings the book addresses emerging environmental issues along with new challenges by focusing on innovative approaches that contribute to achieving

a sustainable environment in these regions The book appeals to anyone working in the subject area and especially students interested in learning more about new developments in environmental research initiatives in light of the worsening environmental degradation of the Mediterranean and surrounding areas making environmental and resource protection an increasingly important issue that impedes sustainable development and social well being The book addresses emerging environmental issues along with new challenges by focusing on innovative approaches that contribute to achieving a sustainable environment in and around the Mediterranean Sea and by highlighting to decision makers from relevant sectors the environmental considerations that should be integrated into their own activities
