J. Tett, Jo Robertson, Joleen Kuyper, 2009-06-06 The smell of roses is sinister rather than sweet A campfire brings monsters rather than warmth in the woods Real danger lurks behind the superstitious fear of whistling in the theatre These are the types of tales contained in this anthology of short stories and poetry by a trio of writers who find their inspiration in darkness that of night of the human soul and of the dangerous things that exist only in the imagination or do they Follow the path of darkness if you dare and be prepared to see danger that lurks under the surface of a calm lake hear something new and frightening in the sound of a whisper smell the mystery hidden beneath a cloak of smoke Be frightened be intrigued and enjoy every minute of it as these stories and poems suck you in to the shadows of their dark world **Teach Yourself Microsoft Project 2000** Vickey L. Quinn, 2000-04-03 This step by step tutorial gives you the information and visuals you need to quickly master Microsoft's powerful scheduling software You'll come down with a textbook case of learning when you cover everything from starting a project to creating macros that automate project management Find your own solutions to your project planning problems with this proven self teaching method **Southwest Area Mobilization Guide, 1989** , 1989 **Using Microsoft Project 2000** Tim Pyron, 2000 Necessity for greater flexibility and understanding of project management is coming into its own even though most people manage projects as part of other duties This guide seeks to provide consumers with a comprehensive understanding of the features

functions and best practices of project management by thorough coverage of the industry's leading project management tools
