Optional-Narrator Theory Sylvie Patron,2021-02 Twentieth century narratology fostered the assumption which
distinguishes narratology from previous narrative theories that all narratives have a narrator Since the first formulations of
this assumption however voices have come forward to denounce oversimplifications and dangerous confusions of issues
Optional Narrator Theory is the first collection of essays to focus exclusively on the narrator from the perspective of optional
narrator theories Sylvie Patron is a prominent advocate of optional narrator theories and her collection boasts essays by
many prominent scholars including Jonathan Culler and John Brenkman and covers a breadth of genres from biblical
narrative to poetry to comics This volume bolsters the dialogue among optional narrator and pan narrator theorists across
multiple fields of research These essays make a strong intervention in narratology pushing back against the widespread
belief among narrative theorists in general and theorists of the novel in particular that the presence of a fictional narrator is
a defining feature of fictional narratives This topic is an important one for narrative theory and thus also for literary practice
Optional Narrator Theory advances a range of arguments for dispensing with the narrator except when it can be said that the
author actually created a fictional narrator **The Cambridge Companion to Religious Studies** Robert A. Orsi,2012
Informative and provocative this book introduces readers to debates in the contemporary study of religion and suggests
future research possibilities **The British Quarterly Review** Henry Allon,1870 A Religious Encyclopædia, Or,

and Genius of T.W.H. Crosland** William Sorley Brown,1928 Critic and Literary World Jeannette Leonard Gilder,Joseph
Benson Gilder,1891 The Brazilian Truth Commission Nina Schneider,2019-05-10 Bringing together some of the world s
leading scholars practitioners and human rights activists this groundbreaking volume provides the first systematic analysis of
the 2012 2014 Brazilian National Truth Commission While attentive to the inquiry s local and national dimensions it offers an
illuminating transnational perspective that considers the Commission s Latin American regional context and relates it to
global efforts for human rights accountability contributing to a more general and critical reassessment of truth commissions
from a variety of viewpoints **The Presence of Absence** Katina L. Rogers,2024-06-19 Disciplining the Holocaust

Karyn Ball, 2008-10-22 *Disciplining the Holocaust* examines critics efforts to defend a rigorous and morally appropriate image of the Holocaust Rather than limiting herself to polemics about the proper approach to traumatic history Karyn Ball explores recent trends in intellectual history that govern a contemporary ethics of scholarship about the Holocaust She examines the scholarly reception of Goldhagen's *Hitler's Willing Executioners* the debates culminating in Eisenman's *Memorial to the Murdered Jews of Europe* in Berlin Lyotard's response to negations of testimony about the gas chambers psychoanalytically informed frameworks for the critical study of traumatic history and a conference on feminist approaches to the Holocaust and genocide Ball's book bridges the gap between psychoanalysis and Foucault's understanding of disciplinary power in order to highlight the social implications of traumatic history

The Deed of Reading Garrett Stewart, 2015-09-08 Garrett Stewart begins *The Deed of Reading* with a memory of his first hesitant confrontation as a teenager with poetic density In that early verbal challenge he finds one driving force of literature to make language young again in its surprise coming alive in each new event of reading But what exactly happens in the textual encounter to make literary phrasing resonate so deeply with readers To take the measure of literary writing *The Deed of Reading* convenes diverse philosophic commentary on the linguistics of literature with stress on the complementary work of Stanley Cavell and Giorgio Agamben Sympathetic to recent ventures in form attentive analysis but resisting an emphasis on so called surface reading Stewart explores not some new formalism but the internal pressures of language in formation registering the verbal infrastructure of literary prose as well as verse In this mode of contextual reading the context is

language itself Literary phrasing tapping the speech act's own generative pulse emerges as a latent philosophy of language in its own right whereby human subjects finding no secure place to situate themselves within language settle for its taking place in through and between them Stewart watches and hears this dynamics of wording played out in dozens of poems and novels over two centuries of English literary production from Wordsworth and Shelley to Browning and Hopkins from Poe and Dickens through George Eliot Conrad James and on to Toni Morrison The Deed of Reading offers a revisionary contribution to the ethic of verbal attention in the grip of deep reading

The Turns of Translation Studies Mary Snell-Hornby, 2006-01-01 What's new in Translation Studies In offering a critical assessment of recent developments in the young discipline this book sets out to provide an answer as seen from a European perspective today Many new ideas actually go back well into the past and the German Romantic Age proves to be the starting point The main focus lies however on the last 20 years and beginning with the cultural turn of the 1980s the study traces what have turned out since then to be ground breaking contributions new paradigms as against what was only a change in position on already established territory shifting viewpoints Topics of the 1990s include nonverbal communication gender based Translation Studies stage translation new fields of interpreting studies and the effects of new technologies and globalization including the increasingly dominant role of English The author's aim is to stimulate discussion and provoke further debate on the current profile and future perspectives of Translation Studies
