Studies in Gnosticism and Alexandrian Christianity Roelof van den Broek, 2020-10-26 The discovery of the Nag Hammadi Library 1945 has given an enormous impetus not only to the study of ancient Gnosticism but also to that of early Christianity in general Most of the studies contained in this volume deal with mythological conceptions and theological ideas found in various Nag Hammadi writings The gnostic views on the nature of God and on creation and salvation receive particular attention ranging from Philo to the medieval Cathars The Nag Hammadi Library also shed new light on the development of early Alexandrian Christianity and its theology The book contains six studies which explicitly deal with these topics This volume is of interest to students of Gnosticism early Christianity and Graeco Roman religious and philosophical ideas in general **Gnosis and Hermeticism from Antiquity to Modern Times** R. van den Broek, Wouter J.

Hanegraaff, 1998-01-01 This volume introduces what has sometimes been called the third component of western culture It traces the historical development of those religious traditions which have rejected a world view based on the primacy of pure rationality or doctrinal faith emphasizing instead the importance of inner enlightenment or gnosis a revelatory experience which was typically believed to entail an encounter with one's true self as well as with the ground of being God The contributors to this book demonstrate this perspective as fundamental to a variety of interconnected traditions In Antiquity one finds the gnostics and hermetics in the Middle Ages several Christian sects The medieval Cathars can to a certain extent be considered part of the same tradition Starting with the Italian humanist Renaissance hermetic philosophy became of central importance to a new religious synthesis that can be referred to as Western Esotericism The development of this tradition is described from Renaissance hermeticists and practitioners of spiritual alchemy to the emergence of Rosicrucianism and Christian theosophy in the seventeenth century and from post enlightenment aspects of Romanticism and occultism to the present day New Age movement **The Complete Works of Rosa Luxemburg, Volume II** Rosa

Luxemburg, 2015-05-19 Rosa Luxemburg's theoretical masterpiece The second volume in Rosa Luxemburg's Complete Works entitled Economic Writings 2 contains a new English translation of Luxemburg's The Accumulation of Capital A Contribution to the Economic Theory of Imperialism one of the most important works ever composed on capitalism's incessant drive for self expansion and the integral connection between capitalism and imperialism This new translation is the first to present the full work as composed by the author It also contains her book length response to her critics The Accumulation of Capital Or What the Epigones Have Made Out of Marx's Theory An Anti Critique Taken together these two works represent one of the most important Marxist studies of the globalization of capital Also included is an essay on the second and third volumes of Marx's Capital which had originally appeared as an unattributed chapter in Franz Mehring's book Karl Marx Thank you to David Gaharia for helping to support the translation of this book **Diaries of a Young Poet** Rainer Maria

Rilke, 2015-05-29 In the diaries Rilke kept from 1898 to 1900 now translated for the first time the overall impression is that of

a genius just coming into his own powers Boston Phoenix In April 1898 Rainer Maria Rilke not yet twenty three began a diary of his Florence visit It was to record in the form of an imaginary dialogue with his mentor and then lover Lou Andreas Salome his firsthand experiences of early Renaissance art The project quickly expanded to include not only thoughts on life history and artistic genius but also unguarded moments of revulsion self doubt and manic expectation The result is an intimate glimpse into the young Rilke already experimenting brilliantly with language and metaphor For the lover of Rilke this superb translation of the poet s early diaries will be a watershed Through Edward Snow s and Michael Winkler s brilliantly supple and faithful translation a new and more balanced picture of Rilke will emerge Ralph Freedman **Index of English**

Women Poets Harriet Kramer Linkin, Stephen C. Behrendt, 2014-10-17 One of the most exciting developments in Romantic studies in the past decade has been the rediscovery and repositioning of women poets as vital and influential members of the Romantic literary community This is the first volume to focus on women poets of this era and to consider how their historical reception challenges current conceptions of Romanticism With a broad revisionist view the essays examine the poetry these women produced what the poets thought about themselves and their place in the contemporary literary scene and what the recovery of their works says about current and past theoretical frameworks The contributors focus their attention on such poets as Felicia Hemans Letitia Elizabeth Landon Charlotte Smith Anna Barbauld Mary Lamb and Fanny Kemble and argue for a significant rethinking of Romanticism as an intellectual and cultural phenomenon Grounding their consideration of the poets in cultural social intellectual and aesthetic concerns the authors contest the received wisdom about Romantic poetry its authors its themes and its audiences Some of the essays examine the ways in which many of the poets sought to establish stable positions and identities for themselves while others address the changing nature over time of the reputations of these women poets

John Betjeman William S. Peterson, 2006 Sir John Betjeman 1906-1984 Poet Laureate was probably the most widely read English poet of the twentieth century Because of his frequent appearances on radio and television and his fervent devotion to the preservation of England's architectural heritage his face and voice became familiar to millions Few other poets of any century have had such a powerful influence on their contemporaries This bibliography lists and describes all of his known writings including his own books ephemera contributions to periodicals and to books by others lectures and radio and television programmes Other categories such as editorships music settings and dramatic adaptations of his poems recordings and interviews are also included as well as a section devoted to writings about him Manuscripts and drafts of all his works are described in detail This enormous body of material is thoroughly indexed cross referenced and in most cases annotated Now at last the activities of this remarkable man both a poet and a cultural phenomenon can be seen in their full breadth and complexity

Agnes Martin - Transcultural Translations Mona Schieren, 2025-02-27 The work of Agnes Martin has frequently been associated with East Asian philosophies Particularly highlighting the oeuvre of this US artist Mona Schieren presents comprehensive research on the influence of Asianist aesthetics in post 1945 American art More than just historical analysis her study opens an entirely new perspective on Martin's appropriation of Asianisms by focusing on transcultural translation and redefining Martin's work beyond Abstract Expressionism and Minimalism This offers new viewpoints on the aesthetic philosophical and visual relationships in American postwar art and takes a nuanced approach

that moves beyond generalized notions of Zen in the US art world Schieren s exploration of the intentional and specific uses of Asianist aesthetics profoundly contributes to insights in international art histories and cultural translations Common Core Curriculum: English, Grades K-5 Great Minds,2014-05-06 Common Core s English resources empower educators to meet the expectations of the Common Core State Standards CCSS for English Language Arts ELA and build essential content knowledge for students in grades K 5 Each grade in The Wheatley Portfolio features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics Features of this book include Six thematic units for each grade each centered on a curated collection of literary and informational texts Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills Suggested texts and activities to incorporate science art and history into English instruction This revised second edition includes a sample text study that guides students through a close read of an exemplary text updated web resources and refreshed suggested works Educators who create their curriculum based on Common Core s Wheatley Portfolioguarantee that students are exposed to content rich instruction and have ample opportunity to master the reading writing speaking listening and language skills articulated in the CCSS for ELA *Index of English Literary Manuscripts* Margaret M.
