The Rampart Vanessa Chavez, 2015-12-16 If most of us were to be completely honest with ourselves we would find places deep within us that cant trust God at least not anymore Life experiences our own or those of others around us have left us doubting the true nature of God Is He really loving big faithful trustworthy Do our prayers really reach heaven *The Rampart* is where we go to position

ourselves to meet face to face with the one who is supposed to have been there when we needed Him most the one who said He could do the impossible or the one who still hasn't shown up yet The Rampart is the place for those who want to believe that God is who He claims to be but can't who have journeyed with faith only to face disappointment who are intrigued by the thought of being a friend of God but find Him unreachable who find themselves waiting and wondering how much longer In my own journey through life experiences God has led me to a new place one that has forever changed my perception of Him In this place I found a bittersweet communion with Him a safe haven the ability to trust again and an avenue to freedom from all that would hold me back
