Americans through education and business known as the Tuskegee Machine *Up from Slavery* chronicles Washington's life from slave to schoolmaster to statesman. It was a best seller when published and for many years thereafter. In it he writes: "The temptations to enter political life were so alluring that I came very near yielding to them at one time but I was kept from doing so by the feeling that I would be helping in a more substantial way through a generous education of the hand, head, and heart."

Up from Slavery Booker Washington, 2018-10-13 *Up from Slavery* is the 1901 autobiography of American educator Booker T. Washington (1856-1915). The book describes his personal experience of having to work to rise up from the position of a slave child during the Civil War to the difficulties and obstacles he overcame to get an education at the new Hampton Institute to his work establishing vocational schools, most notably the Tuskegee Institute in Alabama, to help black people and other disadvantaged minorities learn useful marketable skills and work to pull themselves up by the bootstraps. He reflects on the generosity of both teachers and philanthropists who helped in educating blacks and Native Americans. He describes his efforts to instill manners, breeding, health, and a feeling of dignity to students. His educational philosophy stresses combining academic subjects with learning a trade, something which is reminiscent of the educational theories of John Ruskin. Washington explained that the integration of practical subjects is partly designed to reassure the white community as to the usefulness of educating black people. This book was first released as a serialized work in 1900 through *The Outlook*, a Christian newspaper of New York. This work was serialized because this meant that during the writing process Washington was able to hear critiques and requests from his audience and could more easily adapt his paper to his diverse audience.
