A Daughter's Discovery of an Estranged Father Nirmal Agrawal, What does a father do when he is forced to become a stranger to his own child For seventeen years Nirmiti lived with the certainty that her father Nirvan had abandoned her He had walked away before she could even form a memory of him leaving her mother Pragya to raise her alone His absence became a wound she had learned to live with an unanswered question buried beneath her mother's sacrifices beneath the quiet ache she never dared to voice She had never needed him Or so she thought But when an unexpected message from Nirvan her estranged father appears on her phone it shatters the fragile certainty she has clung to for years A lifetime of resentment wars with something she hates to admit Curiosity Why now What could he possibly say Did he ever regret leaving Determined to confront him Nirmiti agrees to meet the man who had been a ghost in her life But when she does she is faced with a reality far more complex than the black and white version of the past she had always believed in Was her father the villain she had spent years hating or was there a story she had never been allowed to hear As painful truths unravel Nirmiti is caught between two worlds one built on her mother's sacrifices and the other on the silent love of a father who never stopped hoping But when Pragya her mother learns of their meeting her fury threatens to tear everything apart Will Nirmiti be forced to choose between the two people who have shaped her life Or is there a way to rebuild the bridges that time and pain have burned But this story isn't just about Nirmiti and Nirvan It is the heartbeat of a father who writes because he cannot hold his own daughter It is a deeply personal tribute from an author who much like Nirvan finds himself separated from his own daughter not by choice but by laws that do not see a father's grief A man falsely accused trapped in a battle he never asked for longing for a daughter who may one day question why he wasn't there A daughter he cannot reach except through words This book is his love letter to her His way of whispering into the void hoping one day she will hear him Where so many men in his place have given in to despair he chooses to write For every parent who has been silenced falsely accused and pushed to the edge this is a reminder that your love matters your story isn't over Hold on Find strength To hope To fight not with anger but with ink *A Daughter's Discovery of an Estranged Father* is a story of love that refuses to be erased Of grief that transforms into resilience Of holding on even when the world tells you to let go
