Clymer publication of the official factory Suzuki Workshop Manual for the T20 and T200 series of motorcycles including the
250cc Super Six and X6 Hustler and the 200cc X5 Invader and Sting Ray Scrambler There are comprehensive tables of
technical data tolerances and fits and all of the expected data from a factory publication for the repair and overhaul of all
major and minor mechanical and electrical components making it an invaluable resource for collectors and restorers of these
classic Suzuki motorcycles There are 177 illustrations and each procedure is explained in a step by step method using an
appropriate illustration The translation from Japanese to English is at times a little quirky but the illustrations make up for
any difficulty in understanding what needs to be done Out of print and unavailable for many years this book is highly sought
after on the secondary market and we are pleased to be able to offer this reproduction as a service to all Suzuki enthusiasts
