the official factory Suzuki Workshop Manual for the T10 250cc series of motorcycles It also includes the supplement issued
by the factory for the later models of this series There are comprehensive tables of technical data tolerances and fits and all
of the expected data from a factory publication for the repair and overhaul of all major and minor mechanical and electrical
components making it an invaluable resource for collectors and restorers of these classic Suzuki motorcycles There are 190
illustrations and each procedure is explained in a step by step method using an appropriate illustration The translation from
Japanese to English is at times a little quirky but the illustrations make up for any difficulty in understanding what needs to
be done Out of print and unavailable for many years this book is highly sought after on the secondary market and we are
pleased to be able to offer this reproduction as a service to all Suzuki enthusiasts worldwide **Suzuki**
