

WELCOME SPEECH FOR FRESHERS' PARTY BY THE PRINCIPAL

Hello everyone,

Respected Chairperson, Honorable Chief Guest, Faculty Members, Technical and Administrative Staffs, Students and Dear New Comers,

It's a moment of great privilege and honor for me to extend a hearty welcome to all of you today at this memorable event of Darchula Multiple Campus. As you all are aware that we have gathered here to welcome fresher to our prestigious college. The program will be followed by a few short speeches of the faculty teacher/s and our Honorable Chief guest, post which there will be cultural program, including dance and songs, drama, etc. refreshment at 3 PM and ultimately the party in the community hall from 7 PM onwards. I hope, you all are enjoying yourself so far and we promise to make this a memorable event for you all.

Established in 2059, our college is affiliated to TU and it gives me immense pleasure to inform that we have been imparting quality education since inception. The development of a quality educational system largely lies on the committed members of the faculty, quality infrastructure, supportive administration, large pool of learning resources and last but not the least, hardworking and brilliant students. You will be glad to hear that our college primarily focuses on making our students a good human being and also a successful professional through a strategic teaching of both theoretical and practical aspects during the course of education. I am highly encouraged to share that many of our students, who have emerged from our college with flying colors are now occupying higher positions in several renowned organizations both in Nepal and abroad. They have succeeded in many respects and I am very certain that all the current students will also reach the same peak of success.

I heartily welcome all the fresher students to our college and ensure that we will do everything possible to equip you with the best possible teaching resources, practical exposure and training methods so that you are able to shape up your life and career for a challenging world out there. In our college, we believe in inspiring

Henze, 2009-01-21 I couldn't stop reading this book It masterfully pinpoints how language plays a critical fundamental role in our daily lives as educators Most important it shows us how our deepest thoughts are manifested in language and how we can deal with them in our continued efforts to dismantle gender racial and class prejudice Susan Roberta Katz Professor and Chair of International Multicultural Education University of San Francisco The authors show that by thinking critically about how we interact with others and by making the necessary changes in our own behavior leaders can model respectful and collaborative ways of addressing and responding to others and gradually change the norms of the whole community Gordon Wells Professor of Education University of California Santa Cruz

Any chapter is enough for a year's worth of conversation and occasionally a good argument among students, staff and families. The book is an invitation to dialogue with one's peers but it also prompts dialogue with oneself. A must read. Deborah W. Meier, Educational Reformer, Writer and Activist. Unlock the power of language to promote equity in your school. This enlightening book shows how everyday speech can be a transforming force in today's schools, creating a more equitable environment for people of all backgrounds. Written by experts on language and diversity, this resource combines research, validated tools and real-world insights for addressing verbal communication issues within the classroom and schoolwide. Readers will find case studies and vignettes that show how language contributes to school change and shapes community relationships. Thought-provoking exercises that strengthen language awareness and leadership skills. Guidance on effectively coaching students and colleagues on equity issues and the use of appropriate language. By using language to overcome barriers, foster collaboration and promote respect, leaders can make a significant difference in the quality of life and work in schools. **Benny Harris** Cooley, 2006-05-15. Life is a battle. In the battle for life, Benny was just another combatant but his battles were particularly fierce. This is a deeply disturbing story of an innocent soul caught in the hellish grip of psychopathic and twisted evil. In the battle for life, Benny should have received the Purple Heart. **The Road to Discovery** Michael Chukwudi, 2024-10-23. The Road to Discovery is a story about a contemporary woman's life in Africa. It is a story of love, culture, education, disease, equality and discovery. It is a mind-boggling look at the life of a barren woman in Amagwu nze in Enugu State, how she suffered humiliations but later gave birth to a female child. The worth of a child born in Africa still received a shrug of indifference owing to the absence or presence of a male organ. The female children were of no significance in their land of birth. Anulika had a dream of changing the notion. She lost her parents at a very tender age and that trapped her in a snare she did not believe. She was later taken to Enugu City after enduring much suffering in the village. She thought life in the city would be better but it turned out the other way around. The road was tough but she never gave up. Luck fell on her when she met Dr. Ajuluchukwu, the Principal of Divine Love Secondary School, Trans Ekuluwhile, hawking in the street. She has always supported girl child education. She took her home and gave her a new story. She later studied Applied Biology at Ebonyi State University. Abakaliki got her Master's in the same school and proceeded to the University of Nigeria, Nsukka for her Ph.D. Even with the wealth of knowledge she had, she could not boast of a good job in Nigeria. An endemic disease crept into the world and the Government called on all scientists to research the cure for the disease that killed in seconds and it was airborne. This paragon of intelligence tagged her journey THE ROAD TO DISCOVERY. But the question is: did she abandon her quest because it was tough? Savour this palatable dish. **The Practice of Government Public Relations** Mordecai Lee, Grant Neeley, Kendra Stewart, 2021-07-20. In addition to traditional management tools, government administrators require a fundamental understanding of the tools available to address the ever-changing context of government communications. Examining the ins and outs of the regulations influencing public information. The Practice of Government Public Relations

unveils novel ways to integrate cutting edge technologies including Web 2.0 and rapidly emerging social media to craft and maintain a positive public image. Expert practitioners with extensive government communications experience address key topics of interest and provide an up to date overview of best practices. They examine the specifics of government public relations and detail a hands on approach for the planning, implementation and evaluation of the wide ranging aspects of government public relations including how to respond during a crisis. In addition to the tools provided on the accompanying downloadable resources, most chapters include a Best Practice Checklist to help you successfully utilize the communication strategies outlined in the book. Focusing on the roles of government managers enacting policies adopted by elected officials and politicians, this book is ideal for program managers seeking innovative and inexpensive ways to accomplish their programs' missions. While no manager can be an expert in all aspects of public administration, this book helps you understand the external communications tools available to advance the mission and results of your agency.

Daddy's Little Warrior Shreyasta N Samal, 2016-10-19. Daddy's Little Warrior is a story of inner strength and courage; it's about realizing the inner self and embracing and nurturing the inner warrior within us. The story deals with a group of friends who are on the path of discovering the inner warrior within them. It's about life and change, the role change plays, and its necessity in one's life. It also talks about the significance of having warrior-like qualities. It's a story of simple and ordinary people who have dreams, hopes, and ambitions. It's the journey of seven friends, with Isabel and Sophie being the main protagonists who face challenges of life in their own way. And with the help of their friends, Sasha, Ajax, Belleza, Zoe, and Zephyr, the journey becomes more fun and interesting. These people believe in coming out of their comfort zone and facing their fears. Also, they don't like to stress much, or as Sasha would say, "There's a fun way to learn the most difficult lesson of life too." They call themselves the modern day warriors and can do crazy things at times. So read more to find out about them.

The Constitutional Parent Jeffrey Shulman, 2014-07-01. In this bold and timely work, law professor Jeffrey Shulman argues that the United States Constitution does not protect a fundamental right to parent. Based on a rigorous reconsideration of the historical record, Shulman challenges the notion held by academics and the general public alike that parental rights have a long standing legal pedigree. What is deeply rooted in our legal tradition and social conscience, Shulman demonstrates, is the idea that the state entrusts parents with custody of the child and it does so only as long as parents meet their fiduciary duty to serve the developmental needs of the child. Shulman's illuminating account of American legal history is of more than academic interest. If once again we treat parenting as a delegated responsibility, as a sacred trust, not a sacred right, we will not all reach the same legal prescriptions, but we might be more willing to consider how time honored principles of family law can effectively accommodate the evolving interests of parent, child, and state.

Not Only in the Deep South Nancy Hines, DEd, 2024-04-10. NOT Only in the Deep South is Dr. Hines' attempt to validate

the damaging practices she unknowingly engaged in early in her career and adamantly fought against later in her career while working in several different public school settings that are located above the Mason Dixon line Her heartfelt account is designed to serve as both a memoir and a primer that will present a clear call to action for those educators and school stakeholders who are committed to equitable student outcomes to satisfy not only their moral obligations but also to help extinguish generational poverty and blight that continues to plague many communities that lack not only privilege but also advocacy

The Princess's Spirit Trilogy #1-3: An Early 21st Century Liberty Movement Story TaraElla, 2017-02-20
The early 21st century is a time of unprecedented opportunity for those coming of age It is a time when many young adults set out to achieve their dreams be it starting their own business starting a political movement or propelling themselves to superstardom Angelle s dream is to become Cultural Royalty of Pacificland thus achieving what her mother couldn t Her vision is based on freedom dreams love and fairness for all However she soon finds that whilst change appears to be in the air the resistance is often even greater While the early 21st century is a time of opportunity for some many people remain left behind and tension and dissatisfaction is the order of the day in many areas of life The increasing pitch of the culture wars and the influence of global movements from the Tea Party to the Occupy Protests also combine to make Pacificland a daily ideological warzone Meanwhile Pacificland gets caught up in a meaningless political stalemate with reforms like marriage equality stalled seemingly forever With her own dreams on the line will Angelle stay true to her values And if she does will it be enough to make a positive difference Life isn t meant to be easy but are there rewards for the brave at the end While Angelle s story is fictional the perspective taken on the social and political movements of the 2000s and 2010s are inspired by real life accounts and represent the very real perceptions of real people living today
