

WELCOME SPEECH ON TEACHERS DAY

- Teachers push us to attain our motivation and understand our problems without the need to tell them.
- Teachers are like magicians who use their magic wands to help us make our lives easier and more fruitful
- The most important thing we must follow is to revere and value our incredible teachers.
- They have been our guiding spirits and role models, and we are grateful to them.

Voices of the Voiceless K P Shaji , Voices of the Voiceless by K P Shaji is a deeply personal and courageous expos on the hidden truths of India s self financed English medium school system Drawing from over 35 years of experience as a teacher principal and educational leader the author sheds light on how a noble mission of shaping young minds has been quietly replaced by a profit driven model that prioritizes branding over values and visibility over genuine learning The book is not an academic theory but a collection of lived experiences real stories and unspoken struggles of students parents and teachers It reveals how commercialization has turned schools into showrooms students into customers and education into a product while leaving teachers overworked parents financially strained and children burdened by pressure Through vivid narratives it explores systemic issues such as hidden admission costs excessive focus on appearances performance over learning exploitation of teachers and the erosion of moral values in schooling Structured across sixteen chapters the book moves from diagnosis to hope offering practical reforms to humanize education restore dignity to the teaching profession and put the soul back into schooling Above all it is a call to action for educators parents policymakers and society to listen to the unheard voices and reclaim the true purpose of education shaping not just capable individuals but compassionate human beings
