Western Isles Folk Tales

Wolfgang Guggemos

Western Isles Folk Tales:

Western Isles Folk Tales Ian Stephen, 2014-10-01 Western Isles Folk Tales is a representative collection of stories from the geographical span of the long chain of islands known as the Outer Hebrides. Some are well known tales and others have been sought out by the author but all are retold in the natural voice of a local man. You will find premonitions, accounts of uncanny events and mythical beings such as the blue men of the stream who test mariners venturing into the tidal currents around the Shiant Islands. Also included are tales from islands now uninhabited like the archipelago of St Kilda in contrast to the witty yarns from bustling harbours. The author was the inaugural winner of the Robert Louis Stevenson Fellowship 1995 and his Acts of Trust collaboration with visual artist Christine Morrison won the multi arts category in the first British Awards for Storytelling Excellence 2012. Both author and illustrator live in Stornoway, Isle of Lewis. **Western Isles Folk Tales** Ian Stephen, 2014-10-01 Western Isles Folk Tales is a representative collection of stories from the geographical span of the long chain of islands known as the Outer Hebrides. Some are well known tales and others have been sought out by the author but all are retold in the natural voice of a local man. You will find premonitions, accounts of uncanny events and mythical beings such as the blue men of the stream who test mariners venturing into the tidal currents around the Shiant Islands. Also included are tales from islands now uninhabited like the archipelago of St Kilda in contrast to the witty yarns from bustling harbours. The author was the inaugural winner of the Robert Louis Stevenson Fellowship 1995 and his Acts of Trust collaboration with visual artist Christine Morrison won the multi arts category in the first British Awards for Storytelling Excellence 2012. Both author and illustrator live in Stornoway, Isle of Lewis. **Highland Folk Tales** Bob Pegg, 2011-11-30 The Highlands of Scotland are rich in traditional stories. Even today in the modern world of internet and supermarkets, old legends dating as far back as the times of the Gaels, Picts and Vikings are still told at night around the fireside. They are tales of the sidh, the fairy people and their homes in the green hills of great and gory battles and of encounters with the last wolves in Britain, of solitary ghosts and of supernatural creatures like the sinister waterhorse, the mermaid and the Fuath, Scotland's own Bigfoot. In a vivid journey through the Highland landscape from the towns and villages to the remotest places by mountains, cliffs, peatland and glen, storyteller and folklorist Bob Pegg takes the reader along old and new roads to places where legend and landscape are inseparably linked. **Beside the fire, a collection of Irish Gaelic folk stories, ed., tr. and annotated by D. Hyde, with additional notes by A. Nutt** Fire, 1890 **Welsh Folk-lore: a Collection of the Folk-tales and Legends of North Wales** Elias Owen, 1896 **The Shamanic Themes in Armenian Folktales** Michael Berman, 2009-03-26 In Marxist anthropological theory, shamanism represented one of the early forms of religion that later gave rise to more sophisticated beliefs in the course of human advancement. The premise of Marxism was that eventually at the highest levels of civilization, the sacred and religion would eventually die out. Znamenski 2007 p. 322. Though history has of course since disproved this, the theory clearly had a great bearing on what was written in

the former Soviet Union about shamanism and also on people's attitudes in the former Soviet Republics towards such practices. On the other hand it has been suggested that all intellectuals driven by nationalist sentiments directly or indirectly are always preoccupied with searching for the most ancient roots of their budding nations in order to ground their compatriots in particular soil and to make them more indigenous (Znamenski 2007 p. 28). Although this might apply to searching for the roots of Christianity in Armenia, when it comes to searching for the roots of pagan practices, interest on the part of the people of Armenia is generally speaking not so forthcoming. This impasse coupled with the effects of the repressions against religions including shamanism unleashed by the Soviet government between the 1930s and 1950s along with the recent surge of interest in the Armenian Orthodox church, a backlash to the seventy years of officially sanctioned atheism makes research into the subject no easy business. However, hopefully this study will at least in some small way help to set the process in motion.

Fairy and Folk Tales of the Irish Peasantry Various, 2019-11-19. In *Fairy and Folk Tales of the Irish Peasantry*, a rich compilation of narratives emerges from the vibrant oral tradition of Ireland. The book captivates with its lyrical prose and intricate storytelling, showcasing a diverse array of tales that range from whimsical to eerie. Spanning themes of love, betrayal, magic, and morality, these folk narratives reflect the cultural landscape of 19th-century Ireland, where tales served as both entertainment and moral instruction. The collection embodies the essence of the Irish identity, artfully blending elements of folklore with cultural mythology, drawing the reader into a world where the mundane intersects with the supernatural. The authors of this anthology are various contributors, including celebrated literary figures who became integral to the revival of Irish folklore during a period of national awakening. Their dedication to preserving these tales highlights a profound appreciation for the oral histories that shaped Irish culture. This endeavor is particularly noteworthy against the backdrop of colonialism, which sought to suppress indigenous narratives, making their work a vital act of cultural reclamation and preservation. Recommended for anyone interested in folklore, cultural studies, or Irish literature, this collection offers more than mere entertainment; it provides a portal into the soul of a people. Readers will discover timeless lessons embedded in the stories, making this anthology a valuable resource for scholars and enthusiasts alike.

Irish Fairy and Folk Tales William Butler Yeats, 2013-01-30. An ethereal collection of long-lost fairy tales and folk stories from Ireland, collated and edited by one of the most sensational Irish poets, W. B. Yeats. This anthology of Irish myths and folklore was first published in 1892 after being carefully collated by W. B. Yeats. The prolific poet had a deep interest in the folkloric history of his country and dedicated part of his career to editing traditional fairy tales and translating them from the original Irish. *Irish Fairy and Folk Tales* is an illusive collection of beautiful and ghostly stories concerning fairies, changelings, witches, giants, the devil, and the supernatural. The tales featured in this volume are divided between the following sections: The Trooping Fairies, Changelings, The Merrow, The Solitary Fairies, Ghosts, Witches, Fairy Doctors, Tyeer Na N Oge, Saints, Priests, The Devil, Giants, Kings, Queens, Princesses, Earls, Robbers. **Sketch**, 1896. *Sea-spell and Moor-magic*

Sorche Nic Leodhas,1968 Ten folk tales from the Scottish Hebrides each from a different island These are stories of the sea populated by giants waterbolls and fairy creatures

The Folk-Tales of Burma Gerry Abbott,2000 This handbook is the first in depth overview of the fascinating world of Burmese folk tales Part one provides a wide ranging and multi disciplinary survey of folk tale studies together with a broad functional classification of Burma s tales Part two presents mostly for the first time in a European language the categorized actual tales themselves With commentaries on plots and cross cultural motifs past and present With index substantial bibliography and suggestions for further research
