Sarah Ockwell-Smith provides clear and helpful advice for each stage of the process, whether you are just beginning to think about your child's education, applying for a school place, preparing your child for starting at the school you have chosen, or your child has already started school and you would like to help smooth the transition. Specific guidance includes starting school ages, policies, and procedures; how to decide the best starting age for a summer-born child; what to look for when choosing a school; and what questions to ask when you visit. How to prepare your child emotionally and practically for starting school. Common concerns including settling in, separation anxiety, friendship issues, school refusal, and reconnecting with your child at the end of the day. Understanding your own feelings about the transition and your role in the wider school community.
