

Multi-zone function

What is the multi-zone function?

The multi-zone function allows you to play back different input sources in the room where the unit is installed (main zone) and in another room (Zone2). For example, while you are watching TV in the living room (main zone), another person can listen to radio in the study room (Zone2).

You can select the following input sources for Zone2:

- Analog audio input (AV 5-6, AUDIO 1-2, V-AUX (FDX-A820 only))
- TUNER (FM/AM radio)
- USB (including iPod)
- SERVER
- AirPlay
- Network streaming services (available on some models)

- Audio sources input from the HDMI or digital audio input jacks cannot be output to Zone2.
- AirPlay is available in Zone2 only when AirPlay playback is ongoing in the main zone.

This guide explains how to set up a Zone2 system using the unit's internal amplifier.

This will enable you to use the 5.1-channel speaker system in the main zone and 2-channel speaker system in Zone2 simultaneously. (When Zone2 output is disabled, you can use the 7.1-channel speaker system in the main zone.)

For more information, refer to the Owner's Manual in the supplied CD-ROM.

- The illustrations of the main unit and remote control may be different from the actual product depending on the model.

Schlueter,Robert R. Barton,2012-07-01 Texas Rules of Evidence Manual Ninth Edition provides an updated comprehensive reference to Texas evidence for both civil and criminal cases The book provides a rule by rule analysis of each Rule of Evidence This sturdy hard cover text is designed for heavy use in the courtroom This text helps those who are bound to use the Texas Rules of Evidence whether it is the bench or the bar or those studying evidence While the text contains some academic discussions the book is designed to explain what a particular Rule requires or prohibits to indicate what the appellate courts have said about the Rules and to offer some practical pointers on using the Rules The book itself has been designed to make it as useful as possible to the harried judge counsel and student who must quickly find the law Following each Rule is an editorial commentary on the Rule explaining how the Rule works what the Texas courts have said about the Rule and how it compares with the Federal Rule because Texas courts often review federal precedent where they find it helpful in applying a Texas Rule When appropriate practical pointers are also provided on how to use the Rule Where the Rules apply in the same fashion for both civil and criminal cases

those points are discussed together On the other hand where they diverge the authors have used separate headings for Civil and Criminal when that seems appropriate One of the objectives of the Editorial Analysis in this text is to deal with the interrelationships of the various Rules The authors have noted those areas where the Rules differ from pre Rules case law or statutory provisions Some of the Rules changed the prior Texas evidence law and although many of the Texas Rules agree with the Federal Rules a number differ significantly
