Becoming Dr Jones Dr Rhys Jones, 2023-08-03 Rhys Jones was brought up on a council estate in South Wales where expectations for what life held in store for you were slim and the factor beckoned As he recalls he was born fighting and never stopped His perspective on what life could offer him changed forever in the early 1980s when his grandfather took him to the local

cinema to see Stephen Spielberg's blockbuster *Raiders of the Lost Ark*. The dream of emulating his hero Indiana Jones and travelling to the farthest reaches of the planet to explore exotic locations and its wildlife now burned deep inside him. As he progressed at school, this passion to escape and explore was further kindled through the pages of an old natural history encyclopaedia given to him by his grandmother. Devouring the pages, the encyclopaedia would help craft his chosen path in life. Like his hero and namesake Indiana Jones, Rhys's journey has now taken him to all corners of the globe with friends and colleagues at every port, from the Australian outback to the furthest outpost of the Maasai tribe in Eastern Africa. In becoming Dr Jones, Rhys will take the reader on an inspiring journey through his life, one filled with highs, lows, humour and poignancy, as well as reverent insights into some of the amazing residents of our beloved natural world. If adventure had a name, it would be Jones, and Dr Rhys Jones has taken that mantle to a whole new level.

The Story of Betsy Connor

Arleen Brenner, 2008-03 The Priority List David Menasche, 2014-01-14 In this beautiful heartfelt and ultimately important story about love, kinship, gratitude and miracles, Elizabeth Gilbert, 1 New York Times bestselling author, a beloved high school English teacher with terminal brain cancer, undertakes a cross-country journey to reunite with his former students in order to find out if he made a difference and discovers what is truly important in life along the way. David Menasche lived for his work as a high school English teacher. His passion inspired his students and between lessons on Shakespeare and sentence structure, he forged a unique bond with his kids, buoying them through personal struggles while sharing valuable life lessons. When brain cancer ultimately stole David's vision, memory, mobility and most tragically, of all, his ability to continue teaching, he was devastated by the thought that he would no longer have the chance to impact his students' lives each day. But teaching was something Menasche just couldn't give up. Undaunted by the difficult road ahead of him, he decided to end his treatments and make life his classroom. He turned to Facebook with an audacious plan: a journey across America by bus, by train, by red-tipped cane, in hopes of seeing firsthand how his kids were faring in life. Had he made a difference? Within forty-eight hours of posting, former students in more than fifty cities replied with offers of support and shelter. Traveling more than eight thousand miles from Miami to New York and visiting hundreds of his students, David's fearless journey explores the things we all want and need out of life: family, security, independence, love, adventure, and forces us to stop to consider what truly matters in life. Evocative, moving and inspirational, *Priority List* is a rousing testimony to the ways in which, in the face of death, living fully in the present moment becomes possible. Publishers Weekly
